

Questions and Answers as of December 15, 2017 to CHFA 204-Request for Proposals for Comprehensive Online Education Program:

Are applicants required to provide “audited” financial statements?

*Applicants must provide copies of the two most recent years’ audited financial statements.*

Does CHFA expect the proposal to include the development of all instructional content, or would some degree of materials or workshops be provided by CHFA? Would CHFA employees be available to co-develop content during the buildout process?

*The proposal must include the development of all instructional content. CHFA will not be providing any materials or assistance with the development of any instructional content.*
