“Subcontractor” means any person, business entity or nonprofit organization that contracts to perform part or all of the obligations of a state contractor’s state contract. Such person, business entity or nonprofit organization shall be deemed to be a subcontractor until December thirty-first of the year in which the subcontract terminates. “Subcontractor” does not include (i) a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or (ii) an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person’s capacity as a state or quasi-public agency employee.

“Principal of a subcontractor” means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a subcontractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a subcontractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a subcontractor, which is not a business entity, or if a subcontractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any subcontractor who has managerial or discretionary responsibilities with respect to a subcontract with a state contractor, (v) the spouse or a dependent child who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the subcontractor.

Instructions: CHFA Insurance Requirements

All contractors and vendors are required to provide proof of the required insurance coverage before entering the premises or commencing any work at any CHFA facility. Contractors and vendors must obtain, at their own expense, all the insurance required here, and acceptable evidence of such insurance must be properly furnished to, and approved by, CHFA.

All subcontractors are subject to the same requirements. It is the responsibility of the primary contractor or vendor to obtain acceptable evidence of insurance from subcontractors.

CHFA also requires that they be named as an additional insured on your general liability policy(ies). Your general liability policy must be endorsed with ISO Endorsement CG 20 10 (or equivalent) *or* ISO Endorsement CG 20 26 (or equivalent), *and* ISO Endorsement CG 20 37 (or equivalent) if so required. These form numbers must be specifically referenced on the certificate of insurance. If your insurance company uses a different form to provide CHFA with additional insured status on your policies, copies of those forms must be provided in advance with the insurance certificate for review and approval by CHFA. All coverage must be primary as to CHFA.

The proper name for the entity to be named as additional insured is: “Connecticut Housing Finance Authority, and/or related or affiliated entities.”

Evidence of compliance with these requirements is with the ACCORD form 25, “Certificate of Liability Insurance”, with 30 day notice of cancellation, plus copies of any required additional insured endorsements. Certificates should be sent to: Connecticut Housing Finance Authority, Attention: Legal Dept., 999 West St., Rocky Hill, CT 06067. Tel.: (860) 721-9501, Fax: (860) 721-0527.

Current insurance certificates must be furnished to CHFA at all times. Replacement certificates must be furnished *prior to the expiration or replacement* of referenced policies.

Insurance Requirements

Contractors or vendors working for and/or doing business with the Connecticut Housing Finance Authority (CHFA), or using CHFA facilities, shall agree as a condition of acceptance to furnish and perpetually maintain, at their own expense, for the duration of any project, work, contract or use of CHFA facilities the following policies of insurance covering the following items. Insurance must be primary and endorsed to be noncontributory by CHFA, must be written in an insurance company A.M. Best rated as “A-VII” or better, and CHFA must be endorsed to the policy as an additional insured (except Worker’s Compensation) unless this requirement is specifically waived in writing by CHFA. Contractors further agree that any subcontractor they intend to use on CHFA assigned work will be required to submit to the same indemnity and insurance requirements contained in this schedule. Contractor shall obtain insurance certificates stating that both Contractor and CHFA shall be endorsed to the subcontractor’s insurance policies as additional insured.

Indemnification

The contractor/vendor shall save harmless, indemnify, and in the event of claim, notification or suit will immediately defend CHFA and any related or subsidiary entities, their officers, employees and volunteers, from and against all loss, costs, damage, expense, claims or demands arising out of or caused or alleged to have been caused in any manner by the performance of work or use of facilities herein provided, including all suits, claims or actions of every kind or description brought against the CHFA either individually or jointly with the entity or organization for or on the account of any damage or injury to any person or persons or property, including the entity or organization’s employees or their property, caused or occasioned, or alleged to have been caused or occasioned in whole or in part by the entity or organization, including any subcontractor, their employees or agents.

Certificates of Insurance

Before starting any work, or commencing any use or occupancy of CHFA premises, the contractor or vendor shall furnish to CHFA a certificate of insurance indicating, specifically, the existence of those coverages and limits set forth as follows. CHFA must be named on the insurance certificate as “additional insured” for the coverage’s afforded, and a copy of the actual policy endorsement that adds CHFA as an additional insured must be attached to the certificate (Blanket additional insured endorsements are deemed acceptable). It is also the duty of contractor or vendor to provide renewal or replacement certificates and endorsements to CHFA upon renewal or new placement of any insurance policy which may expire or renew during the term of any project or engagement, and to give CHFA thirty (30) days notice of any cancellation or change in the terms of such policy or policies during the periods of coverage. Upon request of CHFA, the contractor or vendor shall furnish to CHFA for its examination and approval such policies of insurance with all endorsements, or copies thereof, certified by the agent of the insurance company.

The contractor or vendor agrees to forward a signed original of this Insurance Requirement signed by an authorized Officer or Agent for the contractor or vendor, to the care of: Connecticut Housing Finance Authority, **Theresa Caldarone**, General Counsel, 999 West St., Rocky Hill, CT 06067. Tel.: (860) 571-4389, Fax: (860) 721-0527, Email: Theresa.Caldarone@CHFA.org, as an acknowledgement and acceptance to the terms and conditions stated herein and prior to the commencement of any work being performed.

OFFICE OF STATE ETHICS

Created on July 1, 2005, under Public Act [05-183](#), the Office of State Ethics (“OSE”) is an independent regulatory division of the Office of Governmental Accountability charged with administering and enforcing the Connecticut Codes of Ethics (“Ethics Codes”), which are found in Chapter 10 of the Connecticut General Statutes.

The OSE’s duties include educating all those covered by the Ethics Codes; interpreting and applying the Ethics Codes; investigating violations of, and otherwise enforcing, the Ethics Codes; and providing information to the public.

The OSE’s jurisdiction:

- | | |
|-----------------|---|
| Part I | Code of Ethics for Public Officials
General Statutes §§ 1-79 to 1-90a |
| Part II | Code of Ethics for Lobbyists
General Statutes §§ 1-91 to 1-101a |
| Part III | Lobbying: Miscellaneous Provisions
General Statutes §§ 1-101aa and 1-101bb |
| Part IV | Ethical Considerations Concerning Bidding and State Contracts
General Statutes §§ 1-101mm to 1-101rr |

The OSE Executive Director has overall responsibility for the welfare and effectiveness of the OSE, which has three divisions, the legal division, the enforcement division, and the administrative division.

The OSE’s governing body is the Citizen’s Ethics Advisory Board (“CEAB”), which has nine members appointed by the Governor and legislative leadership. The CEAB holds monthly meetings that are open to the public. A schedule of CEAB meeting dates, times, and locations is available at www.ct.gov/ethics.

CEAB Members:

- Attend monthly CEAB meetings
- Appoint and evaluate the Executive Director of the OSE
- Issue advisory opinions to persons subject to the Ethics Codes
- Serve as a Hearing Officer for non-confidential hearings held under the Uniform Administrative Procedures Act, General Statutes § [4-166](#) *et. seq.*
- Attend hearings to determine if violations occurred and, if so, assess penalties
- Attend special meetings if necessary
- Oversee legislative agenda

THE BIG PICTURE

This guide is being published under General Statutes [§ 1-81b](#), which requires the OSE to provide a plain language summary of state ethics laws concerning (1) persons, firms and corporations submitting bids or proposals for state contracts, and (2) state contractors.

Like state employees and officials, state contractors are subject to the Ethics Codes, but in a more limited manner. That is, they are not, as [Advisory Opinion No. 99-26](#) puts it, “subject to the far more restrictive provisions . . . that apply to state employees and public officials,” but they are subject to certain “narrow constraints.”

As you read through this guide, be aware that these restraints, and those that apply to state employees and officials, were enacted to prevent persons from using their public position or authority for their own financial benefit, or for the financial benefit of certain others (for example, family members).

Also be aware that each state agency has its own ethics policy, which may be more restrictive than what follows, particularly concerning the types of benefits a state employee or official may accept from state contractors (and others).

CONFLICTS

The Ethics Codes contain two primary conflict statutes that apply specifically to state contractors: General Statutes [§§ 1-86e](#) and [1-101nn](#).

GENERAL STATUTES § 1-86e

Section [1-86e](#) applies to any “person hired by the state as a consultant or independent contractor” and to any “person employed by such consultant or independent contractor.” Such persons may not do as follows:

- (1) Use the authority, or confidential information, provided under the contract to financially benefit the consultant or independent contractor, an employee of the consultant or independent contractor or a member of the immediate family of any such consultant, independent contractor or employee;
- (2) Accept another state contract which would impair the independent judgment of the consultant, independent contractor or employee in the performance of the existing contract; or
- (3) Accept anything of value based on an understanding that the actions of the consultant, independent contractor or employee on behalf of the state would be influenced. In addition, under § 1-86e (b), “[n]o person shall give anything of value to a person hired by the state as a consultant or independent contractor or an employee of a consultant or independent contractor based on an understanding that the actions of the consultant, independent contractor or employee on behalf of the state would be influenced.”

State Contractors Guide to the Code of Ethics

Key points from [Advisory Opinion No. 99-26](#) concerning [§ 1-86e](#):

- Section [1-86e](#) is not intended to interfere with a contractor's business, but to prevent a private entity from using state money to, for example, hire immediate family members without appropriate state oversight.
- A conflict of interest exists only if there is a connection between the facts in question and the state money and authority granted to the independent contractor or consultant by contract.
- The term "independent contractor" does not apply just to individuals, but also to private agencies that contract with the state.
- If a state contractor wants to hire a family member to work under a state contract, the following procedure must be followed:
 1. The contractor must notify the contracting state agency in writing and demonstrate why the individual is appropriate for the job.
 2. The state agency must determine if the person is qualified for the job and whether the compensation is market rate; and if necessary, it may require the contractor to document a job search.

NOTE: *In an enforcement action, a former state contractor was alleged to have violated [§ 1-86e \(a\) \(1\)](#) by using confidential information gained under its contract with a state agency in its subsequent representation of clients before that agency. The contractor entered into a Consent Order with the OSE, agreeing to pay a \$10,000 penalty.*

GENERAL STATUTES § 1-101nn

Subsection (a) of [§ 1-101nn](#) applies to persons who are, or are seeking to be:

- (1) Prequalified under General Statutes [§ 4a-100](#);
- (2) A party to a large state construction or procurement contract, as defined in General Statutes [§ 1-101mm \(3\)](#), with a state or quasi-public agency; or
- (3) A party to a consultant services contract with a state or quasi-public agency.

Such persons may not do as follows:

- (A) Solicit information from state officials or employees that is not available to other bidders;

State Contractors Guide to the Code of Ethics

(B) Defraud the state (that is, charge a state or quasi-public agency for work not performed or goods not provided);

(C) Attempt to circumvent state competitive bidding and ethics laws; or

(D) Provide information about the person's donation of goods and services to state or quasi-public agencies in order to influence the award of a state contract.

Subsection (b) of § [1-101nn](#) applies to a more limited group: Any consultant that is hired by the state *to help plan a state contract*, and any “associated” businesses, as defined in General Statutes § [1-101mm \(1\)](#).

Under § [1-101nn \(b\)](#) neither the consultant nor any “associated” businesses may serve in the following roles with respect to the contract the consultant helped to plan:

- Consultant to any person seeking to obtain the contract,
- Contractor for the contract, or
- Consultant or subcontractor to the person awarded the contract.

NOTE: *If you are unsure whether § [1-101nn](#) applies to you, please contact the OSE, because any person found to have violated this section may be deemed a “nonresponsible bidder” by a state or quasi-public agency. General Statutes § [1-101nn \(c\)](#).*

ONE MORE CONFLICT RULE (of limited applicability)

General Statutes § [1-84 \(n\)](#) bars the State Treasurer from doing business with an investment services firm whose political committee or principals have contributed to, or solicited contributions for, his exploratory or candidate campaign committee.

The prohibition applies during the term of office for which the candidate is campaigning, as well as for the remainder of an incumbent treasurer's term.

The prohibition applies only to contributions to the incumbent or victorious candidate for the office. [Advisory Opinion No. 2003-1](#).

ARE YOU REQUIRED TO REGISTER AS A LOBBYIST?

With certain exceptions, efforts to obtain a state contract can be considered administrative lobbying, requiring registration as a client lobbyist.

Client lobbyist: Generally, an individual or entity that, on its own behalf, expends or agrees to expend \$3,000 or more in a calendar year for *administrative* and/or legislative lobbying and activities in furtherance of lobbying. General Statutes § [1-91 \(12\)](#).

Lobbying: Generally, communicating directly, or soliciting others to communicate, with any public official or his or her staff in the legislative or executive branch, or in a quasi-public agency, in an effort to influence legislative or *administrative action*. General Statutes § [1-91 \(11\)](#).

Administrative action: Any matter within a state or quasi-public agency’s jurisdiction—such as any action or nonaction concerning a contract. General Statutes § [1-91 \(1\)](#).

Exceptions to Administrative Lobbying

The following activities are not considered administrative lobbying:

- Preparation of responses to an agency’s request for proposals (“RFP”). OSE Regs. § [1-92-42a \(e\) \(1\)](#).
- Communications strictly for informational purposes (e.g., to determine what agency contract proposals will be forthcoming). OSE Regs. § [1-92-42a \(e\) \(3\)](#).
- Communications by a vendor’s representative who acts as a *salesperson* and does not otherwise engage in administrative lobbying. General Statutes § [1-91 \(11\) \(B\)](#).
 - “Salespersons”: Generally, individuals who have a set territory they routinely cover, and who are not part of a company’s executive management. See [Advisory Opinion No. 95-11](#).

Thus, if your contact with state or quasi-public agencies is limited to responding to RFPs, or otherwise pursuing a contract through the **normal agency process**, then you are not required to register as a “client lobbyist.”

But you are “lobbying” if you go **outside the agency process** in trying to obtain a state contract. For example:

- Entertaining state employees and officials.
- Communicating with officials outside the agency (such as the Governor or legislators).
- Communicating with officials within the agency but outside the normal process (such as the agency head).

If \$3,000 or more is spent on such lobbying activities, “lobbyist” registration is required. See General Statutes § [1-94](#).

State Contractors Guide to the Code of Ethics

Hypothetical from [Advisory Opinion No. 2003-6](#):

In responding to a state agency's RFP, a business entity spends \$3,500 in printing and personnel costs in taking a number of steps within the agency's normal contracting process. But in an effort to secure the contract, the entity contacts the Governor, thus taking action outside the normal agency process and, in doing so, expends an additional \$500 in personnel costs. Must it register as a lobbyist?

No. The \$3,500 spent in following the normal process to respond to the RFP is exempted from consideration as a lobbying expense. Therefore, this entity would not have to register as a client lobbyist, because it has spent only \$500 towards its lobbying effort.

NOTE: *If you are unsure whether you must register as a "lobbyist," please contact the OSE and/or review the "Client Lobbyist Guide to the Code of Ethics."*

GIFTS

GIVING GIFTS

General Statutes § [1-84 \(m\)](#) contains the "gift"-giving bans for state contractors and potential state contractors:

- An individual or entity **doing or seeking to do business** with a state agency may not give a "gift" to any of that agency's employees or officials.
 - This is an *agency-specific ban*, meaning: If an entity is doing or seeking to do business with State Agency X—but not with any other state agency—then it is prohibited from giving "gifts" only to employees and officials of State Agency X.
- An individual or entity engaged in activities which are directly regulated by a state agency may not give a "gift" to any of that agency's employees or officials.
- A person **prequalified under § [4a-100](#)** may not knowingly give a "gift" to any state employee or official.
 - This ban is *not agency specific*, meaning it applies to all state employees and officials, even if the person is not doing or seeking to do business with an employee's or official's agency. (Registered lobbyists are subject to a similar ban. See General Statutes § [1-97 \(a\)](#).)

State Contractors Guide to the Code of Ethics

What is a “gift”?

General Statutes § [1-79 \(5\)](#) defines “gift” in three parts:

1. “anything of value” (for example, money, tickets to a sporting event, meals, services, etc.),
2. “which is directly and personally received” (that is, the state employee or official accepts the opportunity to partake of it),
3. “unless consideration of equal or greater value is given in return” (that is, unless the state employee or official pays fair market value for it).

GIFT EXCEPTIONS

There are many benefits that are not deemed “gifts,” some of which may be used by state contractors, including these:

- **Token Items:** Items valued less than \$10 (such as a pen or mug), provided the annual aggregate of such items from a single source is \$50 or less. General Statutes § [1-79 \(5\) \(P\)](#).
- **Food/Beverage:** Up to \$50 in food/beverage annually, provided the donor or a representative is in attendance when it is being consumed. General Statutes § [1-79 \(5\) \(I\)](#).
- **Training:** Training provided by a vendor for a product purchased by a state entity, provided it is offered to all of the vendor’s customers. General Statutes § [1-79 \(5\) \(Q\)](#).
- **Ceremonial awards:** A certificate, plaque or other ceremonial award valued at less than \$100. General Statutes § [1-79 \(5\) \(F\)](#).
- **Gifts to the State:** Goods or services given to a state entity. The gift must facilitate state action, and must (1) be for use on state property (e.g., a computer), (2) support a state event (e.g., funds to support an agency event), or (3) support the participation by a state employee or official at an event (e.g., funds for an agency employee to attend an educational conference relevant to his state duties). General Statutes § [1-79 \(5\) \(e\)](#).

NOTE: There is a “gift” exception in § [1-79 \(5\) \(L\)](#) for “major life events” (a term defined by regulation), but state contractors and potential state contractors may not use it.

GIFT REPORTING

If a person doing or seeking to do business with a state agency gives an agency employee or official any of the benefits found in the “gift” exceptions, the person may have a reporting obligation. See General Statutes § [1-84 \(o\)](#).

Generally, if the benefit is valued over \$10, the person (or a representative) must do as follows: Give *both* the recipient *and* the executive head of the recipient’s department or agency a written report stating:

- The donor’s name,
- A description of the item or items given,
- The value of such items, and
- The cumulative value of all items given to such recipient in the calendar year.

NOTE: *This helps both the donor and the state employee or official keep track of the “gift” exceptions noted above, so that permissible limits are not exceeded.*

ACCEPTING GIFTS

In [Advisory Opinion No. 99-17](#), the conflict language in § [1-86e \(a\) \(1\)](#) (see above) was interpreted as creating the following rule:

- If, as a state contractor or an employee thereof, you are offered benefits from a person by virtue of your authority under the state contract (for example, clients of the contracting state agency), you may accept **no more** than \$100 annually from that person.

NOTE: *In an enforcement action, a former employee of a state contractor was found to have violated § [1-86e \(a\) \(1\)](#)—and ordered to pay a \$10,000 penalty—for using his authority over a subcontractor to solicit free or discounted gifts, services and other items of value (e.g., meals and tickets to sporting events and concerts).*

NECESSARY EXPENSES

General Statutes § [1-84 \(k\)](#)—the “necessary expenses” provision—prohibits a state employee or official from accepting a fee or honorarium for participating at an event *in his or her official capacity*.

However, a state employee or official may receive payment or reimbursement for “necessary expenses” if—in his or her official capacity—the employee or official *actively participates* in the event (for example, gives a speech or runs a workshop).

“Necessary expenses” are not considered gifts and may include the cost of:

- Travel (coach),
- Lodging (standard room for the nights before, of, and immediately following the event),
- Meals (non-lavish), and
- Conference or seminar registration fees.

“Necessary expenses” do not include the cost of entertainment (tickets to sporting events, golf outings, etc.), or payment of expenses for family members or other guests.

A state contractor has *no reporting obligations* when it pays for, or reimburses, a state employee’s or official’s “necessary expenses.”

Example:

A state contractor is hosting an out-of-state conference and would like the Governor to come and give a speech in his official capacity. The contractor has offered to pay the Governor’s travel and lodging expenses, to waive his conference registration fee, and to give him a \$500 honorarium. Permissible?

The Governor may not accept the \$500 honorarium (because he is participating in his official capacity) but may accept payment or reimbursement for “necessary expenses,” which include coach-class travel, standard lodging for the nights before, of, and after the speech, and waiver of the conference registration fee.

HIRING CURRENT OR FORMER STATE EMPLOYEES AND OFFICIALS

Former State Employees and Officials

A state contractor wanting to hire a *former* state employee or official should be aware of the Code's post-state employment prohibitions. See General Statutes §§ [1-84a](#) and [1-84b](#).

Most of these prohibitions are “personal” to the former state employees and officials, meaning they do not apply to their post-state *employers*. These include:

- **Confidential information:** A former state employee or official may *never* “disclose or use confidential information” gained in state service for anyone’s financial gain. General Statutes § [1-84a](#).
- **Side switching:** A former state employee or official may *never* “represent anyone other than the state, concerning any particular matter (1) in which he participated personally and substantially while in state service, and (2) in which the state has a substantial interest.” General Statutes § [1-84b \(a\)](#).
- **Cooling off:** For *one year* after leaving state service, a former state employee or official may not “represent” anyone for compensation before their former state agency. (“Represent” means doing any activity that reveals the former state employee’s or official’s identity.) General Statutes § [1-84b \(b\)](#).

NOTE: *Certain former employees and officials of the Department of Consumer Protection and the Department of Emergency Services and Public Protection are subject to a two-year employment ban with respect to entities engaged in Indian gaming operations. General Statutes § [1-84b \(d\)](#) and [\(e\)](#).*

Prohibitions on Employer

There are two post-state employment provisions that apply not only to former state employees and officials—but also to those that hire them:

- For *one year* after leaving state service, a former state employee or official may not accept employment with a party to a state contract valued at \$50,000 or more, if:
 - (1) He or she participated substantially in, or supervised, the negotiation or award of that contract, and
 - (2) It was signed within his or her last year of state service.

Further, “[n]o party to such a contract or agreement . . . shall employ any such former public official or state employee in violation of this subsection.” General Statutes § [1-84b \(f\)](#).

State Contractors Guide to the Code of Ethics

- Individuals who held designated positions at certain state regulatory agencies may not—for **one year** after leaving state service—“accept employment with a business subject to regulation by that agency.” Further, “[n]o business shall employ a . . . former public official or state employee in violation of this subsection.” General Statutes § [1-84b \(c\)](#).

Current State Employees and Officials

State contractors wanting to hire a *current* state employee or official should be aware of the Code’s outside-employment rules, which bar the employee or official from:

- Accepting outside employment with an individual or entity that can benefit from the state servant’s official actions (e.g., the individual in his or her state capacity has specific regulatory, contractual, or supervisory authority over the private person). OSE Regs. § [1-81-17](#).
- Using state time, materials, or personnel to perform their outside work. General Statutes § [1-84 \(c\)](#).
- Accepting—or being a member or employee of an entity that agrees to accept—compensation for representing others before 11 statutorily designated state agencies. General Statutes § [1-84 \(d\)](#). The agencies include:
 - the Department of Banking,
 - the Claims Commissioner,
 - the Office of Health Care Access division within the Department of Public Health,
 - the Insurance Department,
 - the Department of Consumer Protection,
 - the Department of Motor Vehicles,
 - the State Insurance and Risk Management Board,
 - the Department of Energy and Environmental Protection,
 - the Public Utilities Regulatory Authority,
 - the Connecticut Siting Council, and
 - the Connecticut Real Estate Commission.

***The prohibition on being a “member or employee” applies to entities that are in the business of *representing others* for compensation before the listed agencies (law firms, accounting firms, etc.).

OTHER OUTSIDE EMPLOYMENT CONSIDERATIONS

There are two other outside employment prohibitions, but they apply only to a limited number of state employees and officials:

- Individuals holding designated positions at certain state regulatory agencies may not—while in state service—“negotiate for, seek or accept employment with any business subject to regulation by his agency.” Also, “[n]o business shall employ a

present . . . public official or state employee in violation of this subsection.” General Statutes § [1-84b \(c\)](#).

- Certain present employees and officials of the Department of Consumer Protection and the Department of Emergency Services and Public Protection may not “negotiate for, seek or accept employment with” entities engaged in Indian gaming operations. General Statutes § [1-84b \(d\) and \(e\)](#).

OTHER CONSIDERATIONS

CONTRACTUAL REPRESENTATIONS CONCERNING STATE ETHICS LAWS

General Statutes [§ 1-101qq](#), as amended by [Public Act No. 21-76](#), contains four requirements with respect to the OSE’s state ethics laws summary:

1. State agencies must provide large state construction or procurement contractors with the state ethics laws summary developed by the OSE (**NOTE: this guide has been developed for this purpose**).
2. No state agency or institution or quasi-public agency shall enter into a large state construction or procurement contract unless such contract contains a representation that the chief executive officer or authorized signatory of the contract and all key employees of such officer or signatory have read and understood the summary and agree to comply with the provisions of state ethics law.
3. Large state construction or procurement contractors must, in turn:
 - a. provide their subcontractors and consultants with the state ethics laws summary,
 - b. each contract entered into with a subcontractor or consultant on or after July 1, 2021, shall include a representation that each subcontractor or consultant and the key employees of such subcontractor or consultant have read and understood the summary and agree to comply with the provisions of state ethics law. Failure to include such representations in such contracts with subcontractors or consultants shall be cause for termination of the large state construction or procurement contract.
4. The state ethics laws summary must be incorporated by reference in each contract with a contractor, subcontractor or consultant.

NOTE: *The OSE does not have jurisdiction over campaign contribution certifications. Questions concerning them should be directed to the Office of Policy and Management.*

ETHICS ENFORCEMENT

Enforcement of the Ethics Codes is initiated by a complaint, which is filed by the OSE Ethics Enforcement Officer or a member of the public. In most cases, a complaint by the Ethics Enforcement Officer is preceded by a confidential staff evaluation.

A two-stage process follows:

1. Confidential investigation and confidential probable cause hearing.
2. If probable cause is found, a public hearing to determine if a violation has occurred.

At any stage of this process, the OSE and the Respondent may negotiate a settlement.

After a finding or admission of a violation, the CEAB may order the Respondent to comply with the Ethics Codes in the future, file any required report or statement, and/or pay a civil penalty.

For failure to file a report, statement, or other information required by the Ethics Codes, the CEAB may, after a hearing, impose a civil penalty of up to \$10 per day, with the aggregate penalty for any one violation being \$10,000.

The OSE may refer matters to the Chief State's Attorney for criminal prosecution. An intentional violation of the Ethics Codes is a misdemeanor for the first violation, unless the individual has derived a financial benefit of at least \$1,000. In that case, the violation is a class D felony.

The Attorney General may sue for up to three times the economic gain received through knowingly committing or knowingly profiting from a violation of the Code.

The "[*Citizen's Guide to Filing a Complaint*](#)," which is available on the OSE's website, gives a detailed overview of the complaint process and related confidentiality rules.

Connecticut Housing Finance Authority Ethics Statement

The Connecticut Housing Finance Authority ("CHFA") was created in 1969 by the State legislature as a quasi-public agency of the State of Connecticut. Its purpose is to help alleviate the shortage of affordable housing for low and moderate-income families and persons in Connecticut, and when appropriate, to promote or maintain the economic development of the State through employer-assisted housing efforts.

CHFA administers a multi-billion dollar portfolio of housing related financing in the State resulting primarily from its loan programs for both single and multifamily housing. These programs are financed by the proceeds of tax exempt and taxable bonds issued by CHFA together with State funds it administers and its own funds. CHFA has significant interaction with the State and private financial markets and has relationships with both nonprofit and for profit developers of housing. It is important that the CHFA Board of Directors and its employees and persons doing business or seeking to do business with CHFA understand and comply at all times with CHFA's ethical standards in the performance of their duties and conduct of their business.

It is the policy of the Connecticut Housing Finance Authority that its employees and members of its Board of Directors will comply with all laws and regulations pertaining to the conduct of CHFA's business and administration of its programs and that they will do so with the highest standards of ethical behavior. Those with whom CHFA does business are expected to similarly comply with applicable laws and regulations and standards. Any breach or deviation from applicable laws and regulations or standards will result in appropriate disciplinary action including but not limited to termination of employment and sanctions as required by CHFA and state law.

The CHFA Board of Directors and all CHFA employees are subject to the Code of Ethics for Public Officials, Connecticut General Statutes Chapter 10, Part 1, § § 1-79 through 1-89 as amended ("Code of Ethics") in the discharge of their duties, including, but not limited to, the following provisions:

- Gifts - In general, acceptance of gifts from anyone doing business with or seeking to do business with CHFA or from persons known to be a registered lobbyist or lobbyist's representative is prohibited
- Financial Benefit - use of office for financial benefit of the individual, certain family members or associated businesses is prohibited
- Outside Employment - outside employment which may impair independence of judgment or induce disclosure of confidential information is prohibited (Note: Connecticut General Statutes § 8-244(b) provides notwithstanding the provisions of any other law to the contrary, it shall not constitute a conflict of interest for a trustee, director, partner or officer of any person, firm or corporation, or any individual having a financial interest in a person, firm or corporation, to serve as a member of the authority, provided such trustee, director, partner, officer or individual shall abstain from deliberation, action or vote by the authority in specific respect to such person, firm or corporation.)
- Financial Disclosure - filing of financial disclosure statements with the State Ethics Commission is required by certain employees and the Board of Directors
- Post -State Employment - accepting employment with parties to contracts or regulated parties upon leaving CHFA is restricted (Note: Connecticut General Statutes § 1-84b(c) provides exceptions for members or former members of the boards or commissions who serve ex officio, who are required by statute to represent the regulated industry or who are permitted by statute to have a past or present affiliation with the regulated industry.)

Members of the Board of Directors and all CHFA employees are provided a copy of the Code of Ethics. Additionally, CHFA employees are subject to the provisions of the CHFA employee handbook as amended ("Employee Handbook") including, but not limited to:

- Provisions limiting conflicts of interest and requiring filing of a statement with the President-Executive Director regarding any outside employment (§107)
- Requiring gifts with a value of \$10 to be returned or directed to CHFA (§107)
- Prohibiting acceptance of meals or entertainment from those in a position to benefit from CHFA decisions, contracts or financing (§107)
- Limitations on outside employment including prohibiting conducting outside business or employment during working hours or using CHFA facilities or resources to conduct any business other than CHFA official business (§108)
- Requiring compliance with the Code of Ethics (§701)

Copies of this Ethics Statement, the Code of Ethics and Employee Handbook are provided to employees and to each new employee prior to the commencement of employment with CHFA. Employees are required to sign a statement acknowledging receipt of the Code of Ethics and Employee Handbook and agreeing to comply with their requirements.

Employees who leave CHFA are required to comply with the Code of Ethics provisions regarding post-employment and are reminded of these during an exit interview with CHFA's Human Resources staff.

Breaches of any of the provisions of the Code of Ethics or Employee Handbook or other governing laws or regulations will result in disciplinary action up to and including dismissal, in addition to sanctions provided by state law.

CHFA has designated as its Ethics Liaison its General Counsel. The Ethics Liaison is an available resource to CHFA employees regarding statutory and regulatory compliance and questions regarding ethical standards; however, questions concerning the applicability or enforcement of the Code of Ethics are to be directed to the State of Connecticut Ethics Commission.

Persons doing business with or seeking to do business with CHFA will be provided with a copy of this Ethics Statement and are required to comply with the applicable provisions of the Code of Ethics and the Code of Ethics for Lobbyists, Connecticut General Statutes §§1-91 through 1-101 and other governing laws and regulations including, but not limited to:

- Restrictions on gift giving (§ 1-84(f),(m))
- Employment (§ 1-84(g), 1-84b(c)(3))
- Reporting (§ 1-84(o))

and are required to comply with requirements of Connecticut General Statutes §3-13j and §3-131 regarding disclosure of third party fees and finders fees and §§4-250 through 4-252 regarding affidavits and certifications for large state contracts.

- (a) Any person having knowledge of any matter involving (1) corruption, unethical practices, violation of state laws or regulations, mismanagement, gross waste of funds, abuse of authority or danger to the public safety occurring in any state department or agency, any quasi-public agency, as defined in section 1-120, or any Probate Court, (2) corruption, violation of state or federal laws or regulations, gross waste of funds, abuse of authority or danger to the public safety occurring in any large state contract, or (3) corruption by an entity receiving financial assistance pursuant to title 32 that has failed to meet its contractual obligations or has failed to satisfy any condition regarding such financial assistance, may transmit all facts and information in such person's possession concerning such matter to the Auditors of Public Accounts. The Auditors of Public Accounts shall review such matter and report their findings and any recommendations to the Attorney General. Upon receiving such a report, the Attorney General shall make such investigation as the Attorney General deems proper regarding such report and any other information that may be reasonably derived from such report. Prior to conducting an investigation of any information that may be reasonably derived from such report, the Attorney General shall consult with the Auditors of Public Accounts concerning the relationship of such additional information to the report that has been issued pursuant to this subsection. Any such subsequent investigation deemed appropriate by the Attorney General shall only be conducted with the concurrence and assistance of the Auditors of Public Accounts. At the request of the Attorney General or on their own initiative, the auditors shall assist in the investigation.
- (b) (1) The Auditors of Public Accounts may reject any complaint received pursuant to subsection (a) of this section if the Auditors of Public Accounts determine one or

more of the following:

- (A) There are other available remedies that the complainant can reasonably be expected to pursue;
- (B) The complaint is better suited for investigation or enforcement by another state agency;
- (C) The complaint is trivial, frivolous, vexatious or not made in good faith;
- (D) Other complaints have greater priority in terms of serving the public good;
- (E) The complaint is not timely or is too long delayed to justify further investigation; or
- (F) The complaint could be handled more appropriately as part of an ongoing or scheduled regular audit.

(2) If the Auditors of Public Accounts reject a complaint pursuant to subdivision (1) of this subsection, the Auditors of Public Accounts shall provide a report to the Attorney General setting out the basis for the rejection.

(3) If at any time the Auditors of Public Accounts determine that a complaint is more appropriately investigated by another state agency, the Auditors of Public Accounts shall refer the complaint to such agency. The investigating agency shall provide a status report regarding the referred complaint to the Auditors of Public Accounts upon request.

(c) Notwithstanding the provisions of section 12-15, the Commissioner of Revenue Services may, upon written request by the Auditors of Public Accounts, disclose return or return information, as defined in section 12-15, to the Auditors of Public Accounts for purposes of preparing a report under subsection (a) or (b) of this section. Such return or return information shall not be published in any report prepared in accordance with subsection (a) or (b) of this section, and shall not otherwise be redisclosed, except that such information may be redisclosed to the Attorney General for purposes of an investigation authorized by subsection (a) of this section. Any person who violates the provisions of this subsection shall be subject to the provisions of subsection (g) of section 12-15.

(d) The Attorney General may summon witnesses, require the production of any necessary books, papers or other documents and administer oaths to witnesses, where necessary, for the purpose of an investigation pursuant to this section or for the purpose of investigating a suspected violation of subsection (a) of section 4-275 until such time as the Attorney General files a civil action pursuant to section 4-276. Service of a subpoena ad testificandum, subpoena duces tecum and a notice of deposition, may be made by:

- (1) Personal service or service at the usual place of abode; or

(2) registered or certified mail, return receipt requested, a duly executed copy thereof addressed to the person to be served at such person's principal place of business in this state, or, if such person has no principal place of business in this state, at such person's principal office or such person's residence. Upon the conclusion of the investigation, the Attorney General shall where necessary, report any findings to the Governor, or in matters involving criminal activity, to the Chief State's Attorney. In addition to the exempt records provision of section 1-210, the Auditors of Public Accounts and the Attorney General shall not, after receipt of any information from a person under the provisions of this section or sections 4-276 to 4-280, inclusive, disclose the identity of such person without such person's consent unless the Auditors of Public Accounts or the Attorney General determines that such disclosure is unavoidable, and may withhold records of such investigation, during the pendency of the investigation. All documentary material or other information furnished to the Attorney General, his or her deputy or any assistant attorney general designated by the Attorney General, pursuant to a demand issued under this subsection for the purpose of investigating a suspected violation of subsection (a) of section 4-275, shall be returned to the person furnishing such documentary material or other information upon the termination of the Attorney General's investigation or final determination of any action or proceeding commenced thereunder.

(e) (1) No state officer or employee, as defined in section 4-141, no quasi-public agency officer or employee, no officer or employee of a large state contractor and no appointing authority shall take or threaten to take any personnel action against any state or quasi-public agency employee or any employee of a large state contractor in retaliation for (A) such employee's or contractor's disclosure of information to (i) an employee of the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of this section; (ii) an employee of the state agency or quasi-public agency where such state officer or employee is employed; (iii) an employee of a state agency pursuant to a mandated reporter statute or pursuant to subsection (b) of section 17a-28 ; (iv) an employee of the Probate Court where such employee is employed; or (v) in the case of a large state contractor, an employee of the contracting state agency concerning information involving the large state contract; or (B) such employee's testimony or assistance in any proceeding under this section.

(2) (A) Not later than ninety days after learning of the specific incident giving rise to a claim that a personnel action has been threatened or has occurred in violation of subdivision (1) of this subsection, a state or quasi-public agency employee, an employee of a large state contractor or the employee's attorney may file a complaint against the state agency, quasi-public agency,

Probate Court, large state contractor or appointing authority concerning such personnel action with the Chief Human Rights Referee designated under section 46a-57. Such complaint may be amended if an additional incident giving rise to a claim under this subdivision occurs subsequent to the filing of the original complaint. The Chief Human Rights Referee shall assign the complaint to a human rights referee appointed under section 46a-57, who shall conduct a hearing and issue a decision concerning whether the officer or employee taking or threatening to take the personnel action violated any provision of this section. The human rights referee may order a state agency, quasi-public agency or Probate Court to produce (i) an employee of such agency, quasi-public agency or Probate Court to testify as a witness in any proceeding under this subdivision, or (ii) books, papers or other documents relevant to the complaint, without issuing a subpoena. If such agency, quasi-public agency or Probate Court fails to produce such witness, books, papers or documents, not later than thirty days after such order, the human rights referee may consider such failure as supporting evidence for the complainant. If, after the hearing, the human rights referee finds a violation, the referee may award the aggrieved employee reinstatement to the employee's former position, back pay and reestablishment of any employee benefits for which the employee would otherwise have been eligible if such violation had not occurred, reasonable attorneys' fees, and any other damages. For the purposes of this subsection, such human rights referee shall act as an independent hearing officer. The decision of a human rights referee under this subsection may be appealed by any person who was a party at such hearing, in accordance with the provisions of section 4-183.

- (B) The Chief Human Rights Referee shall adopt regulations, in accordance with the provisions of chapter 54, establishing the procedure for filing complaints and noticing and conducting hearings under subparagraph (A) of this subdivision.
- (3) As an alternative to the provisions of subdivision (2) of this subsection:
- (A) A state or quasi-public agency employee who alleges that a personnel action has been threatened or taken may file an appeal not later than ninety days after learning of the specific incident giving rise to such claim with the Employees' Review Board under section 5-202, or, in the case of a state or quasi-public agency employee covered by a collective bargaining contract, in accordance with the procedure provided by such contract; or
 - (B) an employee of a large state contractor alleging that such action has been threatened or taken may, after exhausting all available administrative

remedies, bring a civil action in accordance with the provisions of subsection (c) of section 31-51m.

- (4) In any proceeding under subdivision (2) or (3) of this subsection concerning a personnel action taken or threatened against any state or quasi-public agency employee or any employee of a large state contractor, which personnel action occurs not later than two years after the employee first transmits facts and information concerning a matter under subsection (a) of this section or discloses information under subdivision (1) of this subsection to the Auditors of Public Accounts, the Attorney General or an employee of a state agency, quasi-public agency or Probate Court, as applicable, there shall be a rebuttable presumption that the personnel action is in retaliation for the action taken by the employee under subsection (a) of this section or subdivision (1) of this subsection.
- (5) If a state officer or employee, as defined in section 4-141, a quasi-public agency officer or employee, an officer or employee of a large state contractor or an appointing authority takes or threatens to take any action to impede, fail to renew or cancel a contract between a state agency and a large state contractor, or between a large state contractor and its subcontractor, in retaliation for the disclosure of information pursuant to subsection (a) of this section or subdivision (1) of this subsection to any agency listed in subdivision (1) of this subsection, such affected agency, contractor or subcontractor may, not later than ninety days after learning of such action, threat or failure to renew, bring a civil action in the superior court for the judicial district of Hartford to recover damages, attorney's fees and costs.
- (f) Any employee of a state agency, quasi-public agency, Probate Court or large state contractor, who is found by the Auditors of Public Accounts, the Attorney General, a human rights referee or the Employees' Review Board to have knowingly and maliciously made false charges under subsection (a) of this section, shall be subject to disciplinary action by such employee's appointing authority up to and including dismissal. In the case of a state or quasi-public agency employee, such action shall be subject to appeal to the Employees' Review Board in accordance with section 5-202, or in the case of state or quasi-public agency employees included in collective bargaining contracts, the procedure provided by such contracts.
- (g) On or before September first, annually, the Auditors of Public Accounts shall submit, in accordance with the provisions of section 11-4a, to the clerk of each house of the General Assembly a report indicating the number of matters for which facts and information were transmitted to the auditors pursuant to this section during the preceding state fiscal year and the disposition of each such matter.
- (h) Each contract between a state or quasi-public agency and a large state contractor shall

provide that, if an officer, employee or appointing authority of a large state contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) or subdivision (1) of subsection (e) of this section, the contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of the contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The executive head of the state or quasi-public agency may request the Attorney General to bring a civil action in the superior court for the judicial district of Hartford to seek imposition and recovery of such civil penalty.

- (i) Each state agency or quasi-public agency shall post a notice of the provisions of this section relating to state employees and quasi-public agency employees in a conspicuous place that is readily available for viewing by employees of such agency or quasi-public agency. Each Probate Court shall post a notice of the provisions of this section relating to Probate Court employees in a conspicuous place that is readily available for viewing by employees of such court. Each large state contractor shall post a notice of the provisions of this section relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the contractor.
- (j) No person who, in good faith, discloses information in accordance with the provisions of this section shall be liable for any civil damages resulting from such good faith disclosure.
- (k) As used in this section:
 - (1) "Large state contract" means a contract having a value of five million dollars or more (A) between an entity and a state or quasi-public agency, or (B) for the receipt of financial assistance by an entity from the state pursuant to title 32; and
 - (2) "Large state contractor" means an entity that has entered into a large state contract with a state or quasi-public agency.
- (l)
 - (1) No officer or employee of a state shellfish grounds lessee shall take or threaten to take any personnel action against any employee of a state shellfish grounds lessee in retaliation for (A) such employee's disclosure of information to an employee of the leasing agency concerning information involving the state shellfish grounds lease, or (B) such employee's testimony or assistance in any proceeding under this section.
 - (2) (A) Not later than ninety days after learning of the specific incident giving rise to a claim that a personnel action has been threatened or has occurred in violation of subdivision (1) of this subsection, an employee of a state

shellfish grounds lessee or the employee's attorney may file a complaint against the state shellfish grounds lessee concerning such personnel action with the Chief Human Rights Referee designated under section 46a-57. Such complaint may be amended if an additional incident giving rise to a claim under this subdivision occurs subsequent to the filing of the original complaint. The Chief Human Rights Referee shall assign the complaint to a human rights referee appointed under section 46a-57, who shall conduct a hearing and issue a decision concerning whether the officer or employee taking or threatening to take the personnel action violated any provision of this subsection. The human rights referee may order a state shellfish grounds lessee to produce (i) an employee of such lessee to testify as a witness in any proceeding under this subdivision, or (ii) books, papers or other documents relevant to the complaint, without issuing a subpoena. If such state shellfish grounds lessee fails to produce such witness, books, papers or documents, not later than thirty days after such order, the human rights referee may consider such failure as supporting evidence for the complainant. If, after the hearing, the human rights referee finds a violation, the referee may award the aggrieved employee reinstatement to the employee's former position, back pay and reestablishment of any employee benefits for which the employee would otherwise have been eligible if such violation had not occurred, reasonable attorneys' fees and any other damages. For the purposes of this subsection, such human rights referee shall act as an independent hearing officer. The decision of a human rights referee under this subsection may be appealed by any person who was a party at such hearing, in accordance with the provisions of section 4-183.

- (B) The Chief Human Rights Referee shall adopt regulations, in accordance with the provisions of chapter 54, establishing the procedure for filing complaints and noticing and conducting hearings under subparagraph (A) of this subdivision.
- (3) As an alternative to the provisions of subdivision (2) of this subsection, an employee of a state shellfish grounds lessee who alleges that a personnel action has been threatened or taken may, after exhausting all available administrative remedies, bring a civil action in accordance with the provisions of subsection (c) of section 31-51m.
- (4) In any proceeding under subdivision (2) or (3) of this subsection concerning a personnel action taken or threatened against any employee of a state shellfish grounds lessee, which personnel action occurs not later than two years after the employee first transmits facts and information to an employee of the leasing agency concerning the state shellfish grounds lease, there shall be a rebuttable

presumption that the personnel action is in retaliation for the action taken by the employee under subdivision (1) of this subsection.

Case Notes:

The term "personnel action" encompasses the term "employment action", therefore the human rights referee properly applied standards used in adverse employment actions to the employee's whistle-blower retaliation claims; section does not require extreme measures, such as termination, before its protections are implicated, but, rather, it requires only a personnel action that would dissuade a reasonable employee from whistle-blowing. 135 CA 563. Because section has a remedial purpose, the failure of an employee to comply with section's prescribed filing period does not divest a human rights referee of subject matter jurisdiction; "any other damages" does not encompass equitable forms of relief, such as an order that requires completion of a professional ethics class, but is confined to compensating victims of whistle-blower retaliation for the economic harm they suffer. 143 CA 839.

Plain language reading of section includes "sheriffs" and "deputy sheriffs" among those who could be investigated because of legislature's use of the words "state department or agency" within the statute; requirement that Attorney General forward information to Chief State's Attorney if warranted does not make section a criminal statute; power granted to Attorney General under section is not an impermissible intrusion upon powers granted to another department of government. 47 CS 447.

Title 4. MANAGEMENT OF STATE AGENCIES

Chapter 55c. LARGE STATE CONTRACTS: CERTIFICATIONS

Current with legislation from 2021 effective as of July 6, 2021.

§ 4-252. Certification requirements for large state contracts

- (a) Except as provided in section [10a-151f](#), on and after July 1, 2021, no state agency or quasi-public agency shall execute a large state contract unless such contract contains the representation described in this section.
- (b) The official or employee of such state agency or quasi-public agency who is authorized to execute state contracts shall represent that the selection of the most qualified or highest ranked person, firm or corporation was not the result of collusion, the giving of a gift or the promise of a gift, compensation, fraud or inappropriate influence from any person.
- (c) Any principal or key personnel of the person, firm or corporation submitting a bid or proposal for a large state contract shall represent:
 - (1) That no gifts were made by (A) such person, firm, corporation, (B) any principals and key personnel of the person, firm or corporation, who participate substantially in preparing bids, proposals or negotiating state contracts, or (C) any agent of such person, firm, corporation or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating state contracts, to (i) any public official or state employee of the state agency or quasipublic agency soliciting bids or proposals for state contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for state contracts or the negotiation or award of state contracts, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;
 - (2) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and
 - (3) That the person, firm or corporation is submitting bids or proposals without fraud or collusion with any person.
