Contractor's Cost Certification Statement:

Within sixty (60) days after Substantial Completion of the Development, and prior to Final Closing, the general contractor and identity of interest subcontractors will deliver to the Owner, in form and content acceptable to the Connecticut Housing Finance Authority, an audited statement of costs certified by an independent certified public accountant(s) licensed in the State of Connecticut and acceptable to the Connecticut Housing Authority, to verify such costs.

Such statement of costs will be accompanied by receipts and other supporting documents, as reasonably required by the Connecticut Housing Finance Authority.

Cost Certification expense $_____ will be borne by _____ .
(Name of Owner or Contractor)
