

HFA ADVANTAGE[®]

Mortgage Loan Programs

The Key To Affordable Housing

The HFA Advantage and HFA Advantage Uninsured Loan Programs will provide first and second mortgage loan financing to eligible first-time homebuyers purchasing a single family residence in compliance with CHFA and FREDDIE MAC (FHLMC) eligibility requirements. This program offers a 30-year, fixed rate mortgage with low cost mortgage insurance coverage requirements.

ELIGIBILITY REQUIREMENTS

- You must be a first-time homebuyer or have not owned a home in the past three years. Borrowers who have owned a home previously may also apply if they plan to purchase in a targeted area of the state. (see list of Targeted Areas at chfa.org)
- The sales price of the home does not exceed CHFA sales price limits. (see Sales Price Limits at chfa.org)
- Borrower(s) gross income must not exceed CHFA established income limits based on household size. (see Income Limits at chfa.org)

Note: Income limits do not apply if you are purchasing a home in a targeted area unless you are also using Downpayment Assistance Loan Program funding.

- The interest rate is the CHFA published rate on the day your Participating Lender registers your loan. The interest rate is reduced by .25% if purchasing property in a Targeted Area. (see list of Targeted Areas at chfa.org)

DOWNPAYMENT ASSISTANCE PROGRAM (DAP)

CHFA offers a down payment assistance second mortgage loan to qualified borrowers who are receiving a CHFA first mortgage.

MORTGAGE INSURANCE

Mortgage insurance is required when the amount financed exceeds 80% of the appraised value or purchase price, whichever is less. The amount of insurance is determined by the credit score utilizing the respective mortgage insurer's guidelines. Your lender will review mortgage insurance requirements with you.

HOMEBUYER EDUCATION CLASS

At least one borrower is required to attend a free homebuyer education class prior to closing. Classes are held at several locations or online. Your lender will provide you with information for online counseling when your loan is reserved. (see Counseling Class schedules at chfa.org)

FEDERAL RECAPTURE TAX

In rare cases, you could be required to pay a Federal Recapture Tax in the future if you sell the house. Your lender will provide you with information at the time of application.

You may be eligible to receive reimbursement from CHFA if you are required to make the Federal Recapture Tax payment.
