

## VETERAN'S STATEMENT DUE ON SALE

Date: \_\_\_\_\_

Veteran/Applicant Name: \_\_\_\_\_

Property Address: \_\_\_\_\_

I understand that my home purchase is being financed with a mortgage made available with the assistance of Connecticut Housing Finance Authority (CHFA). This mortgage is made at an interest rate below that which is usually charged. Because of this, I cannot sell my home to a person ineligible for assistance from CHFA, unless I pay my loan in full. If I sell my home to a party ineligible for CHFA assistance and allow the buyer to make my payments for me (assume my loan), CHFA may refuse to allow the sale and demand immediate full repayment of the loan. This could result in foreclosure or repossession of the property. If you take my home through a foreclosure of the mortgage because of my sale to a non-approved buyer, VA will not be able to help me. In addition, VA may have to pay a claim to CHFA for any loss incurred on my loan. I may then be obligated to the VA for any claim paid by the VA to CHFA.

I may avoid such actions by paying my loan in full when I sell my home or by making certain that any person who purchases my home and takes over the payments is approved and meets the necessary qualifications established by CHFA. Those requirements are:

- Income to qualify, house and property to be eligible, purchase price to qualify, use of property to qualify as principal residence.
