Opportunity Characteristics

Intended to encourage the development of housing in areas with:

- Comparatively lower poverty rates
- Community employment opportunities
- Access to community colleges
- Better school systems
Opportunity Characteristics

• Locational Guidemap provided for Applicant’s convenience
Passive House Design

• Plans/specs at 40% complete or greater with detailed wall sections, and detailed scope of Passive House design measures prepared by a Certified Passive House consultant.

• Preliminary modeling analysis/output report through the Passive House Planning Package as developed by the Passive House Institute (PHI) or WUFI Passive by the Passive House Institute of the United States (PHIUS) prepared by Certified Passive House consultant.

September 19, 2016
Passive House Design

• All other data and documentation required for “Pre-Certification” by PHI (http://www.passivehouseacademy.com/images/library/certification_guidance/PHA_Passive_House_Pre-Certification_Guidance_Booklet.pdf) or PHIUS (http://www.phius.org/PHIUSplusdocs/PHIUS+CertificationGuidebook_v1.03.pdf)

• Adjustments in hard cost analysis will be made for construction costs clearly defined as due to Passive House or other energy measures such as solar, geothermal, etc.

• For-profit applicants: $2,500
• Not-for profit applicants: $1,250
Non-refundable fee to be paid at submission of a CHFA financing application.

LIHTC:
• For-profit applicants: $1,000
• For-profit applicants (less than 20-units): $500
• Not-for profit applicants: $250
Non-refundable fee to be paid at submission of 9% LIHTC application.

See Multifamily Underwriting Standards Summary
Lessons Learned – Underwriting

• Funding Commitments must be firm for points consideration

• Municipal Commitments should be firm and quantifiable over 20 years

• Organizational Documents for Applicant and Co-Sponsor including organization chart
Lessons Learned – Underwriting

• If applicant is submitting expenses outside the specified range, clear, detailed justification must be provided

• Supportive housing service budgets shall be supported by documented funding sources and such evidence provided

• Qualified Development Team Members

• Historic Preservation
Lessons Learned – Underwriting

Items often missing that *must* be provided:

- HUD Involvement Letter required if Section 8 development
- Correct financing terms in Sources and Uses and Cash Flow Schedule exhibits
- Attestment Letters confirming tax credit basis
- Evidence of real estate tax abatement

*Caution:* There will be no deficiency period and applications must be complete.
Lessons Learned – Technical Services

• Scope of work described in narrative should match information on drawings/specs/construction costs

• Exploded Trade Breakdown and Project Cost Summary

• Include Prevailing Wages or Federal Davis Bacon if applicable and DOL wage rate sheets

• General Requirements 9% max, OH&P 7% max

• Construction contingency typically 10%
Lessons Learned – Technical Services

• Drawings/specs should be labeled with the correct development name and address

• No points awarded for 40% drawings/specs; only 90% and above

• Any energy efficient measures should be included in drawings/specs and construction costs

• Building GSF etc. should be noted on drawings in tabular format provided in ConApp
Lessons Learned – Technical Services

- Environmental abatement costs noted in reports should be included in the Environmental line item on PCS and ETPB.

- If Phase I ESA recommends additional testing, this testing should be done, additional report included in application submission and all remediation costs included.

- Radon testing is needed for existing buildings; for new construction, a radon mitigation system should be included in drawings/specs and construction costs.
DOH Gap Funding

- Soft commitments up to $50 million
- $25 million funding available
- $5 million available exclusively for SSHP
- DOH soft commitments issued in accordance with DOH selection criteria
- DOH review to occur simultaneously with CHFA application review

Department of Economic and Community Development

State Historic Preservation Office
• State Historic Tax Credit funding is incredibly scarce and constrained
• Federal Historic Tax Credits are available as in the past
• Applicants should contact Julie Carmelich at (860) 256-2762 immediately if an application for State Historic Tax Credits is contemplated as a component of a proposed development submitting in the 2016 9% LIHTC round
• Part I must be submitted with the ConApp for the 2016 9% LIHTC round
• Development applicants seeking State Historic Tax Credits must be fully ready to proceed
Questions and Answers
SHAREPOINT
What is SharePoint?

• It is used as a means to submit a Consolidated Application to CHFA and DOH
• SharePoint is a Microsoft based product that will create a website for each application submitted, and then allow direct download of information for the recipient.
What does SharePoint offer?

• Application Checklist/Task list
• Built in Consolidated Application workbook
• Reference Library
  – This section includes templates and fillable forms to be used in conjunction with submission of the application.
• Application specific website that can be shared with unlimited users allowing multiple team members to upload files as needed
How to get access to SharePoint

• The Applicant should send an email to applicationrequest@chfa.org providing:
  – Funding Round (e.g. 9% LIHTC, CHAMP, SSHP, etc.)
  – Application Name
  – Company Name
  – Primary Contact Name
  – Primary Contact Email
  – Primary Contact Phone

• Each application request will require a separate email to be sent

• Allow 2-3 business days for website to be created

• Receive email with access to the application specific website

• A Microsoft Account will have to be created for each email address used in SharePoint

September 19, 2016
**SharePoint – Task List**

- Shows list of tasks associated with the application
- The list can be edited by team members as needed
- Tasks can be assigned to specific team members and be given due dates
- Provides a timeline of activity prior to application submission date
- Once all items are checked off, the application website will lock and your application will be submitted.
SharePoint – Task List

2. Application Checklist

Use this checklist to keep your team focused on the upcoming tasks related to completing this funding application. New tasks can be created and assigned to individual team members that this application site has been shared with. The timeline below shows important upcoming dates. Below are tasks to be completed. (For help on how to use this checklist, click here.)

IMPORTANT: To submit this application for review, check-off all items on the task list below. (Once submitted, you will not be able to make further changes to this application.)

new task or edit this list

- Ensure that you meet the technological prerequisites (Section 1. above)
- Consolidated Application and QAP Overview Session
- (Optional) Set up Pre-Application Meeting with CHFA and DOH (if needed)
- Share this site with your Development Team
- Upload all appropriate documents/exhibits as noted in the Consolidated Application Workbook
- Complete the Consolidated Application Workbook (see below)
- Ready for Review (Check when ready to submit application)

Due Date: September 19, 2016
Consolidated Application Workbook

- Built into SharePoint
- Can be edited and saved directly to site allowing team members to work on the same file, most updated version
- Can be downloaded to individual PC’s to be edited and uploaded when complete (prior to submission deadline)
- Can be downloaded from CHFA and DOH websites, then uploaded to SharePoint when complete (prior to submission deadline)
  - The version submitted must be the same as what is available to download from the SharePoint application site (Home page and Reference Library)

Sharing the Site

• SharePoint allows site sharing, which means once the site is created, and one team member is able to log in, they can then share the site with anyone else

• This allows multiple users to:
  – Assign and complete tasks
  – Update one Consolidated Application workbook
  – Upload files as necessary
Help Section

• There is a Help section available to walk users through the steps to use each section of the SharePoint website
• Accessed through the menu in the upper left section of the Home screen, or by clicking help links in each section description
Reference Library

- This section includes a downloadable version of the Consolidated Application, as well as several templates and forms that are to be completed and submitted with each application (as applicable)
Submitting the Application

- It is recommended to upload documents as they are completed to avoid any potential submission errors due to attempts to upload to the site at the cutoff time
- CHFA will not review any uploads to the SharePoint site until after the application submission date/time
- Nothing submitted via email will be considered as part of the application unless requested specifically by CHFA or DOH
- To submit your application and lock your website, mark all the items in the Task List section as complete.
CONSOLIDATED APPLICATION
Consolidated Application

• Large Excel workbook designed to be used for numerous funding rounds
• Includes templates for required forms, and instructions
• Shows Threshold Requirements for each type of application (Exhibit Checklist)
• Has links throughout for ease of navigation and reference
• Includes buttons on the Exhibit Checklist to show only necessary items based on the funding round

September 19, 2016
Using The Consolidated Application

• Start on the Exhibit Checklist, by clicking the “Core Items” button, then clicking the appropriate funding round buttons
• This will hide any items not needed for that specific round
• If a mistake is made, or additional exhibits are needed, click “Show All”
  – Information will not be lost, just hidden until “Show All” button is selected
• Fill out blank fields, checkboxes, drop downs on the Application worksheet
