About Us

Connecticut Housing Finance Authority

The Connecticut Housing Finance Authority (CHFA) is a self-funded, quasi-public agency whose mission is to alleviate the shortage of housing for low- to moderate-income families and persons in Connecticut. We achieve our mission by offering financial resources to strengthen homeownership opportunities, financing for affordable multifamily rental housing, and by promoting and/or maintaining economic development through employer assisted housing efforts.

During 2020, CHFA worked in consultation with Leadership Greater Hartford, to develop a new strategic plan. The strategic plan provides a blueprint for how CHFA intends to fulfill its mission and work towards its vision over the next three years starting in 2021. The plan is a dynamic guide that will be reviewed quarterly and amended as needed to reflect the insights gained during the execution and changes occurring in the environment.

The strategic plan is guided by five key policy priorities that will underpin all of CHFA's work:

1. Work with partnership with others, identify new and existing funds and services that both enhance and leverage CHFA's ability to finance more affordable housing
2. Use the Qualified Allocation Plan and other tools to:
 - a. Expand high quality housing choices for low- and moderate-income households in both urban and non-urban areas as part of overall neighborhood revitalization efforts and as a means of reducing racial and economic segregation
 - b. Finance the creation of high quality and environmentally sustainable housing in areas that have ready access to public transportation and to good quality educational and employment opportunities
3. Help low- and moderate-income households build wealth through homeownership
4. Determine cost and merit of taking more risk in financing activities
5. Go beyond business as usual to advance the mission, vision, and values of CHFA

Connecticut General Statute Section 8-37bb requires the Connecticut Housing Finance Authority to report to the Legislature its

“Annual report re fair housing choice and racial and economic integration”

for activity occurring between October 1st to September 30th.

The report herein provides such lending and investment data on all CHFA housing programs compiled for the reporting period of October 1, 2019 through September 30, 2020. The following report provides demographic information on households and borrowers served.

Since 1969, CHFA has issued over 145,000 single family mortgages and provided downpayment assistance loans to first-time homebuyers, allowing them the funds to purchase their first home. We also offer loan programs customized to meet the needs of veterans, active-duty services members, teachers, and police officers.

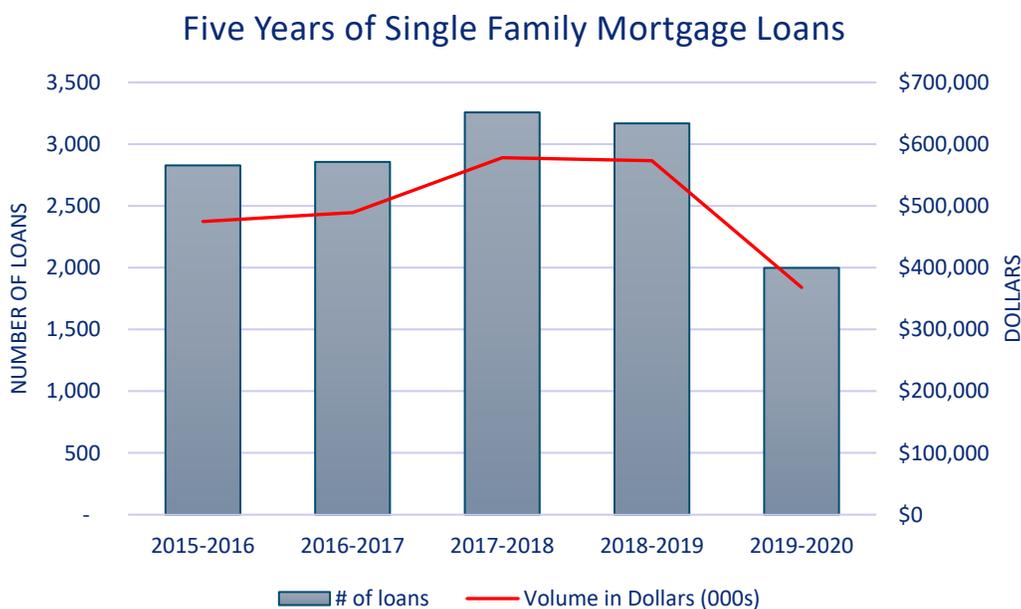

For over 50 years, CHFA has financed the development of over 55,000 affordable rental homes. We aspire to help create and preserve sustainable communities across Connecticut.

Homeownership Programs

Single Family Homebuyer Mortgage Lending

CHFA’s homebuyer mortgage program provides below market interest rate mortgages to first-time homebuyers or buyers who have not owned a home in the last three years. This is achievable through the issuance of federal private activity bonds to support single family home purchases. Proceeds from the sales of tax-exempt bonds allow CHFA to offer an interest rate that is lower than conventional mortgage products.

During the reporting period, CHFA originated \$368 million in home purchase loans¹, helping 1,998 Connecticut residents become first-time homebuyers in 149 of Connecticut’s 169 municipalities. Over 727 loans or 36.4% of CHFA’s Single Family Homebuyer Mortgages were made to minority borrowers, above the percent of minority residents in Connecticut (34.4%)².

Homebuyer Education

CHFA understands that counseling education can help individuals make sound and informed decisions about the home buying process, avoiding problems down the road. On an annual basis, the CHFA Board of Directors authorizes supplemental funds dedicated for pre-purchase counseling. During the 2020 calendar year, \$730,000 was dedicated to this effort. Among classes offered are an on-line homebuyer education class, as well as financial fitness and pre-purchase counseling at no cost and with no contingency on purchasing a home. All CHFA borrowers are required to attend a pre-purchase counseling class. Financial fitness classes cover a wide range of topics that include repairing your credit, how to budget your money and how to make sound financial decisions.

Additionally, CHFA applies annually for funds from the U.S. Department of Housing and Urban Development (HUD) to support homebuyer counseling and additionally authorizes supplemental funds each year for pre-purchase counseling. In 2020 CHFA was awarded a \$140,723 Comprehensive Housing Counseling Grant to support counseling services to help individuals and families navigate their way on a path to homeownership.

Multifamily Rental Housing

The multifamily rental housing portfolio is made up of two different portfolios totaling 602 developments and 36,120 apartments located in 110 communities across the state.

The CHFA multifamily portfolio encompasses 314 developments and 24,970 apartments while the State-Sponsored multifamily housing portfolio (SSHP) is comprised of 288 developments and 11,150 apartments.

Developments in the CHFA multifamily portfolio are financed with a combination of CHFA financing, Federal 4% and 9% Low-Income Housing Tax Credits (LIHTCs), State and Federal Historic Tax Credits, State Housing Tax Credit Contributions (HTCCs), and private and/or public funds. Developments in the SSHP were originally funded and built using money appropriated through State statutory programs.

Low-Income Housing Tax Credit (LIHTC) Program

CHFA, the allocating agency for the Low-Income Housing Tax Credit (LIHTC) program, provides tax credits to developers who best identify and execute a plan to provide affordable housing to Connecticut's residents. In exchange for the tax credits, investors provide equity that is used to acquire, rehabilitate, or construct new affordable housing.

The allocation of LIHTCs is established by the Qualified Allocation Plan (QAP). Projects are rated and ranked and awarded points according to guidelines in the QAP. Among the categories ranked are:

- Rental Affordability – Developments with identified supportive housing units, that will serve households @ or below 25% of the area median income (AMI), having mixed-income housing units, and housing preserved due to expiring use restrictions.
- Financial Efficiency & Sustainability – Having cost-effective square foot costs.
- Local Impact – Points awarded if a development is non-age restricted, located in a Priority Funding or Transit-Oriented Area, is an adaptive re-use of a brownfield, or located in a qualified census tract.

-
- Opportunity Characteristics – Points are given to developments located in a municipality where less than 10% of existing housing is deed-restricted or located in an Area of Opportunity.

Developments located in an Area of Opportunity will have non-age restricted units of which 50% or more (of total development count) will have 2 or more bedrooms. Points are given for development located in a municipality having below average poverty levels (State’s average), an average to above average school performance rating, above average “Jobs to Population” ratio, and/or access to community/technical colleges.

During this reporting period the following 2020 Tax Credit Awardees were in a highly rated CHFA-described Area of Opportunity:

1. 540 New Park Avenue (West Hartford) – 52 units
2. Armstrong Court Phase 3 (Greenwich) – 42 units
3. Pequot Apartments (Waterford) – 40 units

- Qualifications & Experience – Applicants have successful past LIHTC developments
- State Sponsored Housing Portfolio (SSHP) Developments – Includes projects in the existing portfolio with a goal of expansion of net new units of non-age restricted housing containing two or more bedrooms.

The QAP can be modified periodically to ensure that scoring and competitive ranking of LIHTC developments meet affordable housing needs and the priorities of the State. CHFA holds a public hearing to receive views and comments with respect to its LIHTC Program, its QAP, and its current priorities and policy goals.

Housing Connections of Connecticut

The Housing Connections of Connecticut program, a.k.a. the “Rural & Suburban Affordable Housing Technical Assistance Program,” is jointly supported by the Local Initiatives Support Corporation (LISC) and assists local developers by providing an array of technical assistance ranging from the early stages of planning through project development and occupancy. For the last 14 years, CHFA has provided \$3.8 million in

program support, resulting in technical assistance to over 101 organizations, resulting in 622 new housing units, representing over \$115 million dollars of development investment in new affordable housing in Connecticut.

Affirmative Fair Housing

Applicants seeking CHFA investment or multifamily financing are required to complete a Fair Housing Marketing Plan. The Plan should include an outlined marketing strategy and outreach effort that identifies the market area, the group least likely to apply for housing, the method of marketing to be used, and the expected outcome of this marketing.

Affirmative Fair Marketing criteria is also included in CHFA Management Agreements. The Fair Housing Policy Statement of the Consolidated Application for Housing Development, administered between CHFA and DOH, requires that applicants complete a Fair Housing Impacts form. This form collects information such as:

- How will the project address fair housing – i.e.: type of tenure
- How the project will serve income ranges that are under-represented in the located census tract
- How will the location of the project promote diversity

Once approved for financing, owners and property managers of CHFA financed properties are required to adhere to these fair marketing practices under the general operations and maintenance of properties. CHFA's Asset Management staff assures that all property owners in existing portfolios remain in compliance with regulatory agreements that include Fair Marketing laws and guidelines.

Monitoring and Compliance

CHFA monitors its multifamily portfolios for compliance and makes recommendations to property owners on how to more effectively meet their obligation to guarantee that fair marketing policies are established.

CHFA advises property owners to review their property's waiting lists to ensure the selection process remains fair and open; they are required to submit an Affirmatively Furthering Fair Housing Marketing Plan when a project obtains a CHFA investment.

CHFA tracks the household income of persons moving into as well as persons currently residing in a CHFA development to ensure compliance measures are met.

Promotion of Fair Housing Choice and Racial and Economic Choice

In accordance with C.G.S. 8-37bb, CHFA is required to document the effort of the agency in promoting fair housing choice and racial and economic integration. This data includes the racial composition of the occupants and persons on the waiting list of housing projects supervised by the agency.

A complete list of CHFA supervised developments may be found in the appendix summarizing household demographic info for those moving into a development. A similar summary by development can be found on persons on a waiting list.
