
Bulletin # 128

June 29, 2017

To: CHFA Lenders
From: CHFA Single Family Underwriting
Subject: **CHFA Loan Origination System (LOS) Lender Portal Update**

The CHFA Loan Origination System (LOS) Lender Portal is being modified to automatically delete data entered for Loan Reservations that are 120 days old and have not been submitted in the system for a CHFA loan number assignment.

Beginning on **MONDAY, JULY 3, 2017**, all initial Reservations that have been “*saved*” but not “*submitted*”, within 120 days will automatically be deleted from the LOS Lender pipeline.

Once these files have been deleted they cannot be restored and Lenders will no longer have access to the data. Lenders will be required to submit a new reservation for any returning borrower that elects to continue with an application for CHFA mortgage loan financing.
