

INSURANCE REQUIREMENTS

The Connecticut Housing Finance Authority (“CHFA”) requires the following insurance coverage (the “Insurance Requirements”) for projects in which CHFA has an interest. These are the minimum levels of insurance to be maintained. CHFA reserves the right, in its sole discretion, to modify, change or update the Insurance Requirements from time to time as circumstances warrant. Any deviations from these requirements shall be at the sole discretion of CHFA.

Wherever the Insurance Requirements specify that CHFA is to be added as insured, loss payee, or mortgagee, or wherever notice is required for claims, policy changes, renewals or cancellations, they mean “Connecticut Housing Finance Authority, its successors and assigns, as their interests may appear (“a.t.i.m.a”), 999 West Street, Rocky Hill, CT 06067-4005”. All insurance documentation provided to CHFA shall be addressed to the Insurance Servicing Group.

Submission of evidence of insurance must be in a form acceptable to CHFA. For closings, this requirement must be satisfied with copies of the declarations pages of applicable policies, including schedules of all forms and endorsements, or binders providing the same information. All insurance must be issued by companies licensed to do business in the state of Connecticut with a minimum A.M. Best's Policyholder rating of "A- VII" or better. Insurance must be kept continuously in force, with acceptable evidence of renewal policies provided to CHFA *prior to* expiration or cancellation of any policy. In the event a development does not have sufficient insurance coverage or coverage has lapsed, CHFA reserves the right to obtain coverage at the Owner’s expense.

CHFA policy requires that insurance escrow accounts be established for all developments to cover payments for required insurance. CHFA bills each development monthly; escrow payments are included with the mortgage payment. All insurance premium notices are to be submitted directly by the insurance company to CHFA or immediately upon receipt by the Mortgagor. CHFA will make payment directly to the insurance company. Mortgagors are not to pay insurance premiums directly from the operating account without prior authorization from their assigned CHFA Asset Manager. CHFA will make premium payments upon receiving satisfactory evidence of insurance coverage as prescribed by these specifications.

The following insurance coverages shall be maintained by the Owner for as long as CHFA has any insurable interest in the property:

A. Property Insurance:

Property insurance coverage shall be written on an open perils (“all risk”) or ISO Special Perils form or equivalent including equipment breakdown coverage. Coverage shall be on a replacement cost valuation basis, without deduction for depreciation, and shall contain an agreed value clause (no coinsurance to apply). The insurance limit must be equal to 100% of the full replacement value of the property. If written as part of a blanket property policy the blanket coverage limit shall be adequate to cover all properties thus insured, and the policy shall not contain a margin clause, by whatever term it may be called. The deductible must be shown and may not exceed \$25,000 unless CHFA consents. Other requirements:

- 1) Include Ordinance and Law Coverage, including demolition cost for the undamaged portion of the development, debris removal, and increased cost of construction.
- 2) Include coverage for acts of terrorism under the Terrorism Risk Insurance Act (“TRIA”). This coverage is optional for properties with fifty (50) or less units.

Such insurance may be provided by a standard National Flood Insurance Program (“NFIP”) policy. It shall be the Owner’s responsibility to document the location of the development outside a designated flood hazard area. In the absence of documentation satisfactory to CHFA flood insurance is required.

- 4) Include Loss of Rental Income insurance (loss of rents), with a limit equal to 100% of the property’s total annual gross income at 100% occupancy.
- 5) Loss Payee: All required property insurance covering property in which CHFA has an insurable interest shall include a provision that coverage provided shall not be changed, assigned, cancelled, nonrenewed, reduced, amended or altered in any manner by the insured or the insurance company unless at least thirty (30) days advance written notice of such change(s) is delivered to CHFA by certified mail or, in the event of non-payment of premium, ten (10) days advance written notice is delivered to CHFA by certified mail. All property insurance policies must be endorsed with ISO form CP 12 18 (or an equivalent satisfactory to CHFA) with CHFA scheduled as Loss Payee for Clause D. For HUD developments, the appropriate interest of the Federal Housing Administration shall be included as their interest may appear.
- 6) Builder’s Risk: For New Construction and Substantial or Gut Rehabilitation renovation projects CHFA requires that Mortgagors maintain a Builder’s Risk policy. Standard property policies would cover Minor or Moderate Rehabilitation projects. Please refer to the “CHFA Construction Guidelines: Construction Costs” guidebook on our [website](#) for the definitions of the aforementioned renovation project types. **(Revised 05/01/2018)**
