Upon a motion made by Mr. Ugalde, seconded by Ms. DeWyngaert, the Board members voted by roll call and were unanimously in favor of adopting the following resolution regarding the financing of 2980 State Street, located in Hamden, Connecticut:

RESOLUTION REGARDING FINANCING OF
2980 STATE STREET, HAMDEN, CONNECTICUT
CHFA DEVELOPMENT NO. 25 - 403M

WHEREAS, Regan Development Corporation has applied to the Connecticut Housing Finance Authority (the "Authority") for mortgage financing for the construction of a 64-unit housing development, to be known as 2980 State Street, located in Hamden, Connecticut (the "Development"); and

WHEREAS, the Authority desires to provide mortgage financing for the Development to 2980 State Street LLC and/or a related entity otherwise acceptable to the Authority (the "Proposed Mortgagor"), all as described in the attached Memorandum and Development Summary Materials from Kyle Walker, Underwriter I, dated June 24, 2025 (the "Memorandum").

NOW THEREFORE, be it resolved by the Board of Directors of the Connecticut Housing Finance Authority, as follows:

Section 1. The Authority is authorized to provide a construction loan in a principal amount of approximately \$14,242,000 and a construction-to-permanent loan in a principal amount of approximately \$1,135,000, *provided, however*, the aggregate principal loan amount of the construction loan and construction-to-permanent loan shall not exceed \$15,377,000. Both loans shall be secured by a first-priority fee simple and/or leasehold mortgage lien on the Development. The construction loan shall accrue interest on amounts advanced at a rate not to exceed 6% per annum and shall be paid monthly, in arrears, over a term of up to 24 months, after which all construction loan principal and interest shall be due in full. The construction-to-permanent loan shall accrue interest on amounts advanced at a rate not to exceed 6.7% per annum and shall be repaid monthly, in arrears, as follows: (a) interest-only payment for a period of up to 24 months, immediately followed by (b) principal and interest repayment based upon an amortization schedule of 40 years over a term of 40 years, after which all outstanding construction-to-permanent loan principal and interest shall be due, *provided, however*, the construction-to-permanent loan may be prepaid in full: (i) on or after 15 years of the construction-to-permanent loan permanent term by virtue of refinance with a mortgage loan from the Authority and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance, or (ii) on or after 20 years of the permanent loan term and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance. Subject to the availability of all necessary sources of funding (including, without limitation, sufficient allocation to the Authority from the state ceiling of private activity bonds), the Authority shall fund this mortgage financing with tax-exempt bond proceeds, including the issuance of bonds as described in Attachment A, attached hereto, or from such other sources of funding and upon such other terms and conditions as are deemed to be in the best interests of the Authority. The Authority

may adjust the interest rate limitation set forth herein and may assess additional loan-related fees solely to permit the payment of Authority costs and fees related to the mortgage financing. To the extent other sources of funding are deemed to be in the best interest of the Authority, the Authority finds that mortgage loan financing is not readily available from another source and that it is appropriate and in the public interest for the Authority to provide such financing from the proceeds of taxable bonds. With respect to any such expenditure, this Resolution is intended to satisfy the technical requirements of Section 1.150-2(d)(1) of the United States Treasury Regulations.

Section 2. The Authority is authorized to provide an additional mortgage loan (the “Additional Loan”) in a principal amount not to exceed \$1,000,000. The Additional Loan shall: (a) be secured by a first or second priority mortgage lien on the Development; (b) accrue interest on all amounts advanced at a rate which shall not be less than 1% per annum; (c) be repaid monthly, in arrears, interest-only throughout the construction term of the Additional Loan and/or, commencing with the 25th month of the Additional Loan term, be repaid by virtue of principal and/or interest repayment based upon an amortization schedule determined by the Authority, and/or be repaid periodically (but not less frequently than annually) in an amount of not less than 25% of the Development’s adjusted cash flow prior to the calculation of surplus cash, as determined by the Authority, *provided, however*, full payment of the deferred developer fee amount, certain investor fees and/or obligations and certain subordinate financing obligations, all as approved by the Authority, shall have priority over any repayment of the Additional Loan; and (d) be coterminous with the Authority construction-to-permanent loan, after which all outstanding loan principal and interest shall be due, *provided, however*, prepayment of the Additional Loan will be permitted. The Authority will fund the Additional Loan with affordable housing fund proceeds which may include capital magnet fund grant proceeds, investment trust account proceeds, opportunity fund proceeds, or such other sources of funding, and upon such terms and conditions, as are deemed to be in the best interests of the Authority.

Section 3. The Authority’s commitment to provide mortgage financing for the Development shall be conditioned upon the availability of all necessary sources of funding (including, without limitation, sufficient allocation to the Authority from the state ceiling of private activity bonds) and the Authority’s acceptance and approval in its sole discretion of the following:

(a) Affordability restrictions on the Development for a period of 40 years, as required under the Internal Revenue Code (the “Code”) and the Authority’s Qualified Allocation Plan (the “QAP”), such that: (i) 9 units shall be set aside for households at or below 30% of area median income, (ii) 13 units shall be set aside for households above 30% of area median income and at or below 50% of area median income, (iii) 37 units shall be set aside for households at or below 50% of area median income, and (iv) 4 units shall be set aside for households at or below 60% of area median income;

(b) An independent appraisal and a market acceptance analysis for the Development;

(c) All required governmental approvals, tax abatement agreements, hazardous waste testing at the Development, and hazardous waste removal and disposal (if applicable);

(d) Final construction costs and plans and specifications;

(e) Commitments for all sources of funds (and State Bond Commission approval for such funding, if necessary), as further described in the Memorandum, or in such other amounts and/or from such other comparable sources as are acceptable to the Authority, such that the total of the sources and uses of funds for completion of the Development are in balance;

(f) Proposed operating income and expenses, housing subsidies benefitting the Development, payments and/or subsidies for the provision of supportive services, all required reserve and escrow funding, tenant relocation plan, and property management organization and plan; and

(g) Compliance by the Proposed Mortgagor with all applicable law, the Authority's Procedures, the QAP, the Code and the regulations promulgated thereunder, the provisions of the Memorandum, and all applicable Authority policies, *provided, however*, if there is any inconsistency between the provisions of this Resolution and the Authority's policies, the terms of this Resolution shall control.

Section 4. The Chief Executive Officer - Executive Director is hereby authorized to modify or supplement the terms and conditions hereof and to take all other actions consistent with this Resolution, the Authority's Procedures, the QAP, the Code and the regulations promulgated thereunder including, without limitation, any required release, subordination, modification and/or assumption of any existing Authority financing or Authority-administered financing or funding with respect to the Development, all as may be in the best interests of the Authority and necessary for the development of quality affordable housing.

Section 5. Failure to provide any of the above-referenced requirements in a form acceptable to the Authority and to close the mortgage financing authorized herein on or before March 31, 2026 shall render this Resolution void and of no further effect, provided, however, upon good cause shown and upon payment by the Proposed Mortgagor of any extension or other fees as may be required by the Authority, the Chief Executive Officer - Executive Director may extend the time for compliance hereunder.
