AMENDED RESOLUTION REGARDING FINANCING OF
NEW KENSINGTON SQUARE II, NEW HAVEN, CONNECTICUT
CHFA DEVELOPMENT NO. 21 - 412M

WHEREAS, by resolution adopted March 31, 2022 (the “Prior Resolution”), the Board of Directors of the Connecticut Housing Finance Authority (the “Authority”) authorized mortgage financing for the construction of a 96-unit scattered site housing development, to be known as New Kensington Square II, located in New Haven, Connecticut (the “Development”) and the Authority provided New Kensington II Limited Partnership (the “Mortgagor”) with a \$10,016,000 construction mortgage loan (the “Construction Loan”), a \$3,398,000 construction-to-permanent loan (the “Permanent Loan”), and an \$1,200,000 additional loan (the “Additional Loan”, collectively with the Construction Loan and the Permanent Loan, the “Loan”);

WHEREAS, on account of a casualty loss and other related circumstances, the Development encountered challenges completing certain construction and financial operating benchmarks and the Authority previously granted various extensions of the terms of the Loan;

WHEREAS, in connection with the anticipated extension of the Construction Loan authorized herein, the Authority intends to redeem certain Authority bonds upon their maturity with funds from the Authority’s Investment Trust Account (“ITA”) and said ITA will be replenished once the Construction Loan is paid in full; and

WHEREAS, Mortgagor has requested an amendment to the Prior Resolution, all as described in the attached Memorandum and Development Summary Materials from Anne Conners, Underwriter 3, dated October 28, 2025 (the “Memorandum”).

NOW THEREFORE, be it resolved by the Board of Directors of the Connecticut Housing Finance Authority that the Prior Resolution is hereby amended as follows:

Section 1. Section 1 and Section 2 of the Resolution are hereby amended and restated to be effective as of the date of the modification authorized herein and to read as follows:

“Section 1. The Authority is authorized to provide a construction loan in a principal amount of approximately \$13,414,000 (the “Construction Loan”) and a permanent loan in a principal amount of approximately \$3,398,000 (the “Permanent Loan”), *provided, however*, the aggregate principal loan amount of the Permanent Loan and the Construction Loan shall not exceed \$16,812,000. The Construction Loan and the Permanent Loan shall be secured by a first-priority fee simple mortgage on the Development. The Construction Loan shall accrue interest on amounts advanced at a rate not to exceed 4.6% per annum and shall be paid monthly, in arrears, over a term of up to 42 months, after which all construction loan principal and interest shall be due in full. The Permanent Loan shall accrue interest on amounts advanced at a rate not to exceed 4.6% per annum and shall be repaid monthly in arrears, as follows: (i) interest-only payment for a period of up to 42 months, immediately followed by: (ii) principal and interest repayment based upon an amortization schedule of 40 years over a period of 38 years and 6 months,

after which all outstanding Permanent Loan principal and interest shall be due, *provided, however*, the Permanent Loan may be prepaid in full: (i) on or after 15 years of the Permanent Loan term by virtue of refinance with a mortgage loan from the Authority and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance, or (ii) on or after 20 years of the Permanent Loan term and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance. The Authority will fund the Construction Loan and the Permanent Loan with tax-exempt bond proceeds, including the issuance of bonds as described in Attachment A, attached hereto, or from such other sources of funding, and upon such terms and conditions, as are deemed to be in the best interests of the Authority. To the extent other sources of funding are deemed to be in the best interest of the Authority, the Authority finds that mortgage loan financing is not readily available from another source and that it is appropriate and in the public interest for the Authority to provide such financing from the proceeds of taxable bonds. With respect to any such expenditure, this Resolution is intended to satisfy the technical requirements of Section 1.150-2(d)(1) of the United States Treasury Regulations.”

Section 2. Section 3(a) of the Prior Resolution is hereby amended and restated to read as follows:

“(a) Affordability restrictions on the Development for a period of 50 years, such that 27 units shall be set aside for households at or below 25% of area median income, 45 units shall be set aside for households at or below 50% of area median income, and 20 units shall be set aside for households at or below 60% of area median income;”
