Upon a motion made by Ms. Ross, seconded by Mr. Hodges, the Board members voted unanimously in favor of adopting the following resolution regarding financing for Hartford Trade School, located in Hartford, Connecticut.

RESOLUTION REGARDING FINANCING OF
HARTFORD TRADE SCHOOL, HARTFORD, CONNECTICUT
CHFA DEVELOPMENT NO. 24-416M

WHEREAS, Arch BC, LLC (the "Developer") has applied to the Connecticut Housing Finance Authority (the "Authority") for mortgage financing for the new construction of a 57-unit housing development, to be known as Hartford Trade School, located in Hartford, Connecticut (the "Development"); and

WHEREAS, the Authority desires to provide mortgage financing for the Development to the 110 Washington LLC and/or a related entity otherwise acceptable to the Authority (the

"Proposed Mortgagor"), all as described in the attached Memorandum and Development Summary Materials from Sarah Simonelli, Underwriter III, dated September 15, 2026 (the "Memorandum").

NOW THEREFORE, be it resolved by the Board of Directors of the Connecticut Housing Finance Authority, as follows:

Section 1. The Authority is authorized to provide a construction-to-permanent loan (the "Loan") in a principal amount which shall not exceed $15,475,000. The Loan shall be secured by a first-priority mortgage lien on the Development. The Loan shall accrue interest on all amounts advanced at a rate not to exceed 6.35%. The Loan shall be repaid as follows: (a) commencing upon the initial advance of Loan proceeds, interest-only for a period of up to 10 months (the "Construction Period"), immediately followed by, (b) a conversion to a Loan amount of approximately $1,790,000 with principal and interest repayment based upon an amortization schedule of 40 years over a term of 40 years (the "Permanent Period"), after which all outstanding Loan principal and interest shall be due, *provided*, *however*, the Loan may be prepaid in full: (i) on or after 15 years of the Permanent Period by virtue of refinance with a mortgage loan from the Authority and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance, or (ii) on or after 20 years of the Permanent Period and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance. Subject to the availability of all necessary sources of funding (including, without limitation, sufficient allocation to the Authority from the state ceiling of private activity bonds), the Authority shall fund this mortgage financing with tax-exempt bond proceeds, including the issuance of bonds as described in Attachment A, attached hereto, or from such other sources of funding and upon such other terms and conditions as are deemed to be in the best interests of the Authority. The Authority may adjust the interest rate limitation set forth herein and may assess additional loan-related fees solely to permit the payment of Authority costs and fees related to the mortgage financing. To the extent other sources of funding are deemed to be in the best interest of the Authority, the Authority finds that mortgage loan financing is not readily available from another source and that it is appropriate and in the public interest for the Authority to provide such financing from the proceeds of taxable bonds. With respect to any such expenditure, this Resolution is intended to satisfy the technical requirements of Section 1.150-2(d)(1) of the United States Treasury Regulations.

Section 2. The Authority is authorized to provide an additional mortgage loan (the "Additional Loan") in a principal amount of up to $1,000,000. The Additional Loan shall: (a) be secured by a first or second priority mortgage lien on the Development; (b) accrue interest on all amounts advanced at a rate which shall not be less than 1% per annum; (c) be repaid monthly, in arrears, interest-only throughout the construction term of the Additional Loan and commencing with the Permanent Period be repaid by virtue of principal and/or interest repayment based upon an amortization schedule determined by the Authority, and/or be repaid periodically (but not less frequently than annually) in an amount of not less than 25% of the Development's adjusted cash flow prior to the calculation of surplus cash, as determined by the Authority, *provided*, *however*, full payment of the deferred developer fee amount, certain investor fees, and/or obligations and certain subordinate financing obligations, all as approved by the Authority, shall have priority over any repayment of the Additional Loan; and (d) have a term coterminous with the Loan, after which

all outstanding loan principal and interest shall be due, *provided*, *however*, prepayment of the Additional Loan will be permitted. The Authority will fund the Additional Loan with affordable housing fund proceeds which may include capital magnet fund grant proceeds, investment trust account proceeds, opportunity fund proceeds, or such other sources of funding, and upon such terms and conditions, as are deemed to be in the best interests of the Authority.

Section 3. The Authority's commitment to provide mortgage financing for the Development shall be conditioned upon the availability of all necessary sources of funding (including, without limitation, sufficient allocation to the Authority from the state ceiling of private activity bonds) and the Authority's acceptance and approval in its sole discretion of the following:

(a) Affordability restrictions on the Development for a period of 40 years as required under the Internal Revenue Code (the "Code") and the Authority's Qualified Allocation Plan (the "QAP"), such that: (i) 12 units shall be set aside for households at or below 50% of area median income, and (ii) 45 units shall be set aside for households at or below 80% of area median income and the Development shall be in full compliance with the QAP, the Code and the regulations promulgated thereunder;

(b) An independent appraisal and a market acceptance analysis for the Development;

(c) All required governmental approvals, tax abatement agreements, hazardous waste testing at the Development, and hazardous waste removal and disposal (if applicable);

(d) Final construction costs and plans and specifications;

(e) Commitments for all sources of funds (and State Bond Commission approval for such funding, if necessary), all as further described in the Memorandum, or in such other amounts and/or from such other comparable sources as are acceptable to the Authority, such that the total of the sources and uses of funds for completion of the Development are in balance;

(f) Proposed operating income and expenses, housing subsidies benefitting the Development, payments and/or subsidies for the provision of supportive services, all required reserve and escrow funding, tenant relocation plan, and property management organization and plan; and

(g) Compliance by the Proposed Mortgagor with all applicable law, the Authority's Procedures, the QAP, the Code and the regulations promulgated thereunder, the provisions of the Memorandum, and all applicable Authority policies, *provided*, *however*, if there is any inconsistency between the provisions of this Resolution and the Authority's policies, the terms of this Resolution shall control.

Section 4. The Chief Executive Officer - Executive Director is hereby authorized to modify or supplement the terms and conditions hereof and to take all other actions consistent with

this Resolution, the Authority's Procedures, the QAP, the Code and the regulations promulgated thereunder including, without limitation, any required release, subordination, modification and/or assumption of any existing Authority financing or Authority-administered financing or funding with respect to the Development, all as may be in the best interests of the Authority and necessary for the development of quality affordable housing.

Section 5. Failure to provide any of the above-referenced requirements in a form acceptable to the Authority and to close the mortgage financing authorized herein on or before June 30, 2027 shall render this Resolution void and of no further effect, *provided*, *however*, upon good cause shown and upon payment by the Proposed Mortgagor of any extension or other fees as may be required by the Authority, the Chief Executive Officer - Executive Director may extend the time for compliance hereunder.
