

# Homeownership by Generation

Submitted by Christopher D. Brechlin

We investigate how homeownership in CT is changing by using the Pew Research Center definition for each generation’s age grouping and analyzing data from the Census Bureau.

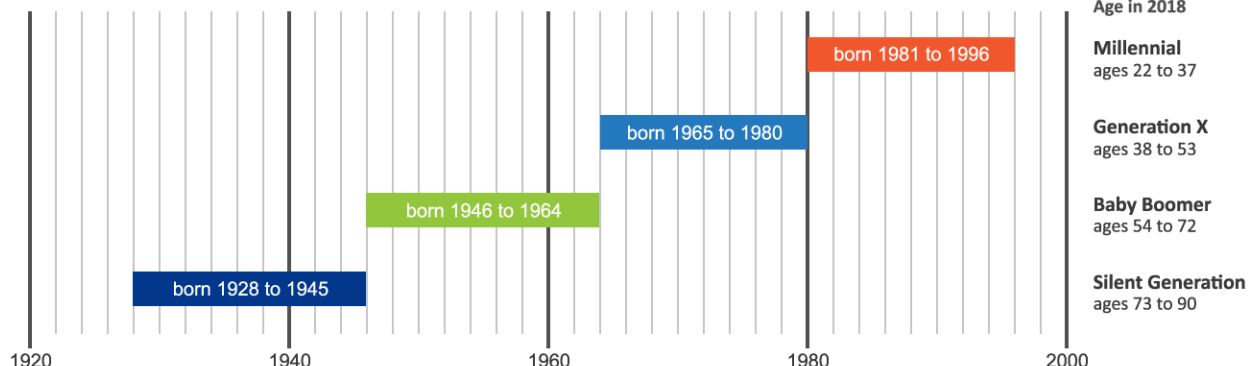

## CT Homeownership by Generation

Source: US Census Bureau, CHFA

Generation	Age Range in 2006	Age Range in 2016
Millennial	10 to 25	20 to 35
Generation X	26 to 41	36 to 51
Baby Boomer	42 to 60	52 to 70
Silent Generation	61 to 78	71 to 88

### The generations defined
