Ms. Mosquera-Bruno called the meeting of the Connecticut Housing Finance Authority to order at 10:00 a.m. A roll call of Board members was conducted and a quorum was present.

Ms. Mosquera-Bruno asked for public comments by virtue of the public call-in line and there were none.

Nandini Natarajan, CEO-Executive Director, updated the Board on a fraudulent Facebook page that was created impersonating CHFA and announcing the opening of a waitlist for the Section 8 Housing Choice Voucher Program. The Facebook page encourages residents to click a link that may result in the disclosure of personal information. Ms. Natarajan reported that CHFA alerted the news media of this incident and CHFA is directing those who may have provided sensitive information to contact the Department of Consumer Protection and Attorney General’s Office. Ms. Natarajan also provided a brief summary of the key takeaways from a Developer Luncheon held in mid-June with approximately forty-five developers to gain feedback on the development community’s recent experiences with CHFA and DOH and to solicit input on recent industry trends. The session was extremely positive and productive and developers reported generally positive experiences working with CHFA over recent months, specifically citing improvements to

the CHFA and DOH closing processes. Discussion occurred on the need for training programs regarding the application process. There was also discussion of current issues facing developers which included construction pricing, costs, and the high operating expenses related to property taxes, insurance and utilities.

Pasquale Guliano, Managing Director of Multifamily, provided an update on the status of the William H. Warner resolution tabled by the Board at last month's meeting. He informed the Board that the Town of Woodbridge decided to reconsider their approval of the assumption of lease for the property and stated that CHFA continues to work with the current owner and the Town to identify a new buyer. He also reported that staff conducted a review of the legal issues related to the proposed buyer and found no areas of concern.

Mr. Guliano provided a summary of the Mortgage Committee's recommended resolution regarding financing for West Ridge, located in New Haven, Connecticut.

Upon a motion made by Ms. DeWyngaert, seconded by Mr. Ugalde, the Board members voted by roll call and were unanimously in favor of adopting the following resolution for financing of West Ridge, located in New Haven, Connecticut:

**RESOLUTION REGARDING FINANCING OF WEST RIDGE,  
NEW HAVEN, CONNECTICUT; CHFA TAX CREDIT NO. 24 – 901M**

WHEREAS, by resolution adopted on April 27, 2023 (the "Prior Resolution"), the Connecticut Housing Finance Authority (the "Authority") authorized a reservation of \$1,559,999 of low-income housing tax credits (the "Credits") for West Ridge, a proposed 65-unit development to be located in New Haven, Connecticut (the "Development") in accordance with the low-income housing tax credit program requirements set forth in the Authority's Qualified Allocation Plan (the "QAP"), Section 42 of the Internal Revenue Code of 1986 (the "Code"), and the regulations promulgated thereunder (the "Regulations");

WHEREAS, the Queach Corporation (the "Developer") has applied to the Authority for construction and permanent mortgage financing for the Development; and

WHEREAS, the Authority desires to provide mortgage financing to West Ridge Apts, LLC and/or a related entity otherwise acceptable to the Authority (the "Proposed Mortgagor"), as described in the attached memorandum and Development Summary Materials from Tre'Von Perry, Underwriter I and Deborah J. Alter, Senior Program Officer – Program Administration, dated June 25, 2024 (the "Memorandum").

NOW THEREFORE, be it resolved by the Board of Directors of the Connecticut Housing Finance Authority, as follows:

Section 1. The Authority is authorized to provide a construction loan in a principal amount of approximately \$4,700,000 and a construction-to-permanent loan in a principal amount of approximately \$8,000,000, *provided, however*, the aggregate principal loan amount of the construction loan and the construction-to-permanent loan shall not exceed \$12,700,000. Both

loans shall be secured by a first-priority fee simple and/or leasehold mortgage lien on the Development. The construction loan shall accrue interest on all amounts advanced at a rate not to exceed: (a) in the event that the initial closing of the construction loan occurs on or before December 31, 2024, 6.25% per annum; or (b) in the event that the initial closing of the construction loan occurs on or after January 1, 2025, 7.80% per annum. The construction loan shall be paid monthly, in arrears, over a term of 24 months, after which all construction loan principal and interest shall be due in full. The construction-to-permanent loan shall accrue interest on amounts advanced at a rate not to exceed 7.25% per annum and shall be repaid monthly in arrears, as follows: (i) interest-only payments for a period of 24 months, immediately followed by (ii) principal and interest repayment based upon an amortization schedule of 40 years over a period of 35 years, after which all outstanding construction-to-permanent loan principal and interest shall be due, *provided, however*, the construction-to-permanent loan may be prepaid in full: (A) on or after 15 years of the construction-to-permanent loan permanent term by virtue of refinance with a mortgage loan from the Authority and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance, or (B) on or after 20 years of the construction-to-permanent loan permanent term and subject to the satisfaction of all applicable Authority requirements, including the payment of a housing program maintenance fee equal to 1% of the outstanding principal balance. The Authority will fund the construction loan and/or the construction-to-permanent loan with taxable bond proceeds, including the issuance of bonds as described in Attachment A, attached hereto, or from such other sources of funding, and upon such terms and conditions, as are deemed to be in the best interests of the Authority. The Authority may adjust the interest rate limitation set forth herein solely to permit payment of Authority costs and fees related to the mortgage financing. To the extent other sources of funding are deemed to be in the best interests of the Authority, the Authority finds that permanent mortgage loan financing is not readily available from another source and that it is appropriate and in the public interest for the Authority to provide such financing from the proceeds of taxable bonds. With respect to any such expenditure, this Resolution is intended to satisfy the technical requirements of Section 1.150-2(d)(1) of the United States Treasury Regulations.

Section 2. The Authority is authorized to provide an additional mortgage loan (the “Additional Loan”) in a principal amount not to exceed \$1,000,000. The Additional Loan shall: (a) be secured by a first or second priority mortgage on the Development; (b) accrue interest on all amounts advanced at a rate not to exceed 1% per annum; (c) be repaid monthly, in arrears, interest-only throughout the construction term of the Additional Loan; (d) commencing with the 25<sup>th</sup> month of the Additional Loan term, be repaid by virtue of principal and/or interest repayment periodically (but not less frequently than annually) in an amount of not less than 25% of the Development’s adjusted cash flow prior to the calculation of surplus cash, as determined by the Authority, *provided, however*, payment of the deferred developer fee, certain investor fees and/or obligations and certain subordinate financing obligations, all as approved by the Authority, shall have priority over any principal and/or interest repayment of the Additional Loan; and (e) have a term of up to 37 years, after which all outstanding loan principal and interest shall be due, *provided, however*, prepayment of the Additional Loan will be permitted. The Authority will fund the Additional Loan with affordable housing fund proceeds which may include capital magnet fund grant proceeds, investment trust account proceeds, opportunity fund proceeds, or such other sources of funding, and upon such terms and conditions, as are deemed to be in the best interests of the Authority.

Section 3. The Authority's commitment to provide mortgage financing for the Development shall be conditioned upon the Authority's acceptance and approval in its sole discretion of the following:

- (a) Affordability restrictions on the Development for a period of 50 years, such that 14 units shall be set aside for households at or below 25% of area median income, 12 units shall be set aside for households at or below 30% of area median income, and 26 units shall be set aside for households at or below 50% of area median income;
- (b) An independent appraisal and a market acceptance analysis for the Development;
- (c) All required governmental approvals, tax abatement agreements, hazardous waste testing at the Development, and hazardous waste removal and disposal (if applicable);
- (d) Final construction costs and plans and specifications;
- (e) Commitments for all sources of funds, as further described in the Memorandum, or in such other amounts and/or from such other comparable sources as are acceptable to the Authority, such that the total of the sources and uses of funds for completion of the Development are in balance;
- (f) Proposed operating income and expenses, State rental assistance program subsidies benefitting the Development, payments to provide supportive services to intellectually disabled clients of the State Department of Developmental Services, all required reserve and escrow funding, and property management organization and plan; and
- (g) Compliance by the Proposed Mortgagor with all applicable law, the Authority's Procedures, the QAP, the Code, the Regulations, the provisions of the Memorandum, and all applicable Authority policies, *provided, however*, if there is any inconsistency between the provisions of this Resolution and the Authority's policies, the terms of this Resolution shall control.

Section 4. The Chief Executive Officer - Executive Director is hereby authorized to modify or supplement the terms and conditions hereof and to take all other actions consistent with this Resolution, the Procedures, the QAP, the Code and the Regulations, as may be in the best interest of the Authority and necessary for the development of quality affordable housing.

Section 5. Failure to provide any of the above-referenced requirements in a form acceptable to the Authority and to close the mortgage financing authorized herein on or before March 31, 2025 shall render this Resolution void and of no further effect, provided, however, upon good cause shown and upon payment by the Proposed Mortgagor of any extension or other fees as may be required by the Authority, the Chief Executive Officer - Executive Director may extend the time for compliance hereunder.

*(West Ridge, New Haven, Connecticut)*
