

State of Connecticut Temporary Mortgage Assistance Program (T-MAP)

The Connecticut Housing Finance Authority, with financial support from the State of Connecticut, has launched a homeowner assistance program for low and moderate income households in Connecticut who are struggling to pay their mortgages due to the impact of the COVID-19 Pandemic.

- Up to \$10,000,000 in emergency loan funds will be available to help homeowners pay their housing costs, allowing them to remain in their homes as they work to regain financial stability.
- Eligible Households with incomes at or below 120% of the area median income will be eligible to apply for up to \$25,000 in the form of a second mortgage loan.
- Potential applicants will be directed to a Centralized Call Center for Threshold Eligibility, after which a detailed application must be completed, including verification of documentation.
- Homeowners with federally insured mortgages are not eligible for this program. To find out if you have a federally insured mortgage, go to the [CFPB](#) website.
